Part 1: Please rate the following sessions:

Form Approved
OMB No. 0920-1009
Exp. Date: 2/29/2020

Public Reporting burden of this collection of information is estimated at 9 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NW, MS D-74, Atlanta, GA 30333; Attn: PRA (0920-1009).

Thank you for attending the CE16-1605 Preventing Teen Dating and Youth Violence by Addressing Shared Risk and Protective Factors 2019 Recipient Meeting. We're always looking for ways to continuously improve our programs. Please take a moment to provide us with feedback about the 2019 Recipient Meeting. The information collected will be used to identify areas of improvement for future recipient meetings and technical assistance efforts, and allow for ongoing communication and collaboration with funded recipients.

This should take no more than 9 minutes to complete. Please complete this survey by _____. All responses will be kept confidential and information will only be shared in its aggregate form.

You can edit previous responses as you complete the survey; however, you must complete the survey in one sitting or you will lose all of your responses. To return to a previous page, use the 'Previous' button at the bottom of the page (NOT the "Back" button on your browser menu). To advance, use the "Next" button at the bottom of the page.

If you have any questions, please contact Melissa Bing, MPH (poe7@cdc.gov).
