Danny

Following our conversation, please let us know if the Privacy Act applies to this non PII collection. If you have any questions please contact Melissa or Linda. This are OMB generic requests that takes only a couple of weeks for OMB to approve, as soon as we get a response we will send it to ICRO-OMB

Subject: Generic Clearance Package for 1605 Recipient Meeting Feedback Survey

Good Morning,

Attached is the OMB generic clearance package for the 1605 Recipient Meeting Feedback Survey. The feedback survey is in response to the CE16-1605 recipient meeting that took place last month. The purpose of this survey is to identify areas of improvement for future recipient meetings and technical assistance efforts, and allow for improved communication and collaboration with funded recipients. I'm working with Linda Vo (cc'd) on this project. Please let me know if anything else is needed.

Thank you,

Melissa Bing, MPH
