

Subject: EHDI-PALS- It's time to review your facility information!

Hello Audiologists,

Thank you for enrolling your facility in the Early Hearing Detection and Intervention-Pediatric Audiology Links to Services (EHDI-PALS) directory. It is time to review and update your facility information. EHDI-PALS wants to ensure your clinic's information is up to date for parents, physicians and nurses who are looking for an appropriate audiology facility. Even if your information has not changed, please kindly go to <http://www.ehdipals.org>, use your log on name and password to retrieve your survey answers and confirm that you have completed your review. Remember you can always make changes on-demand any time.

EHDI-PALS is continuing to grow! We now have ### facilities enrolled and over ### families have accessed the site looking for services.

You have 2 weeks from the date of this reminder to log-on and review your facility information so your facility won't be deleted from the directory. To ensure that families can find your facility, **please review and/or update your survey answers at [www.ehdi-pals.org](http://www.ehdi-pals.org)**.

**Many thanks for your continued service to children.**

Sincerely,
