1. Introduction

This user manual provides the information necessary to use the Incurred But Not Reported Survey (IBNRS) system.

1.1 General Description/Purpose

The IBNRS system is a web-based application used by the Centers for Medicare and Medicaid Services (CMS). It is used biannually prior to 2008, and annually since 2008 to report estimated expenditures for the Medicaid Program and the Children's Health Insurance Program (CHIP) and to report estimated expenditures for both programs.

CMS will be preparing its fiscal year (FY) Annual Financial Report as required by the Public Law 103-356, (the Government Management Reform Act of 1994), section 3515. Because CMS fulfills its mission through the contractors and States, these entities are the primary source of information for the financial statements. There are three basic categories of data: expenses, payables, and receivables. The Medicaid and CHIP IBNRS are used to collect Medicaid and CHIP payable and receivable accounting data from the states. CMS must accrue:

- An accounts payable for the services rendered by Medicaid and CHIP providers as of the end of the fiscal year
- An accounts receivable for all amounts due to the States from various sources, excluding the Federal Government.

The Medicaid and CHIP IBNRS have been available as an Internet system beginning with the FY 2006 survey. Since then, the Medicaid IBNRS have no longer been mailed out to each State and Territory. The automated system expanded CMS' existing information technology architecture to allow for a more effective and efficient solution in completing, reviewing, and transmitting the Medicaid and CHIP IBNRS. This enabled the States and Territories to fill out and submit their surveys electronically beginning FY 2006.

IBNRS has been upgraded to the 3-zone CMS Technical Reference Architecture (TRA). The functionality of the system is the same as prior to the upgrade. However, the layout of the screens has changed.

1.2 System Requirements

To use the IBNRS system, you must meet the following requirements:

- You must have a connection to the Internet.
- You must have an Enterprise User Administration (EUA) account.
- You must be using Internet Explorer 8.0 or higher.

2. Overview

2.1 Conventions

This document provides the user with screen step-by-step procedures to use the IBNRS system. The following conventions apply:

- The term “user” and “you” are used throughout this document to refer to any person who requires and/or has acquired access to IBNRS.
- Whenever possible, the screen capture graphics used in this document are enlarged and/or cropped to emphasize the important areas of the screen.
- The Section 508-compliant alternative text within the graphics often identifies specific areas on screens, forms, reports, or tables that are described as “shown in box” or “shown in circle”.
- Unless otherwise indicated, any text reference to a “text link” used in the system is the same as a hyperlink.

2.2 Cautions and Warnings

The *CMS Warning Page* (Figure 1) appears as part of each login session on the system. Read the warning before logging in.

Figure 1: CMS Warning Page

3. Getting Started

3.1 Set-up Considerations

CMS screens can best be viewed at a screen resolution of 1024 x 768 or higher. To optimize your access to IBNRS:

- Disable pop-up blockers.
- Use Internet Explorer, version 8.0 or higher.

3.2 User Access Considerations

The step-by-step procedures in this document assume that the user has already been given prior authorization to access the IBNRS system through EUA.

3.3 Accessing IBNRS

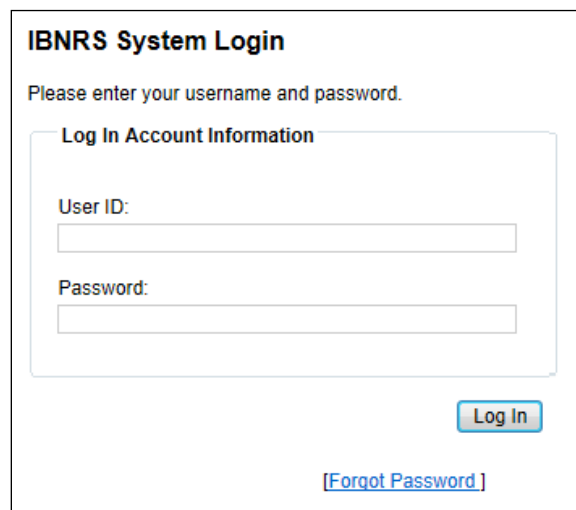

To log in to IBNRS:

1. Open the Internet Explorer browser.
2. Use the Uniform Resource Locator (URL) provided when granted access to the system:

<https://65.220.21.9/ibnrs>

The *CMS Warning Page* (Figure 1) appears.

3. Read the warning.
4. Click on the [Click Here To Log In](#) link. The *IBNRS System Login* screen (Figure 2) appears.

3.4 System Organization and Navigation

Figure 6 identifies the major components of the majority of the IBNRS screens.

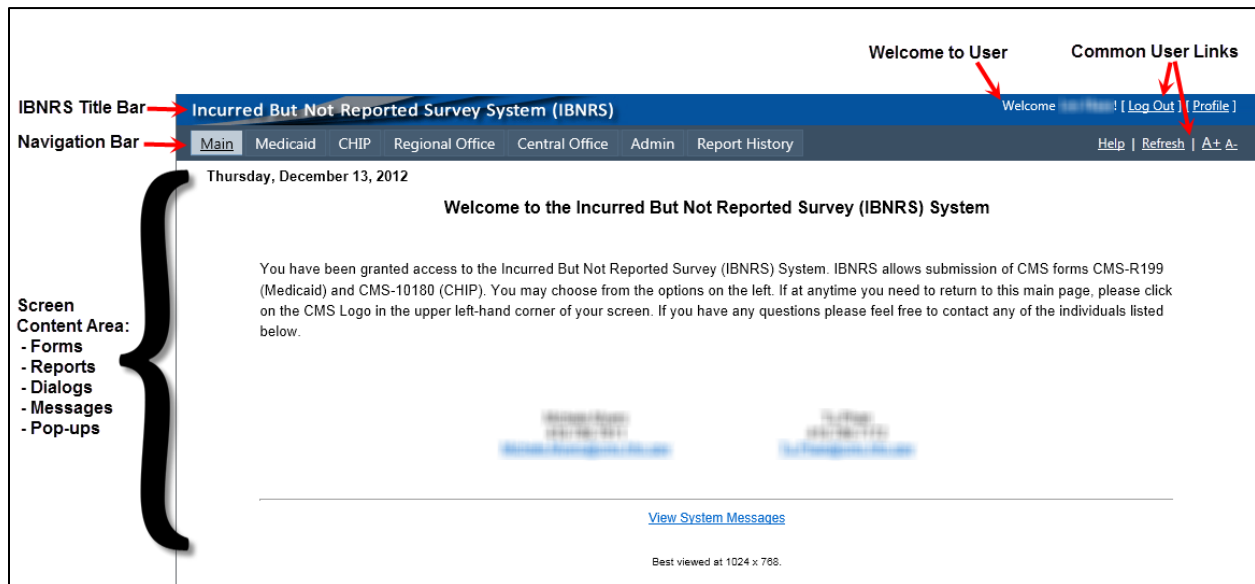

Figure 6: IBNRS Screen – Major Components

This section describes the organization of the system and how to navigate it.

3.4.1 Navigation Bar

The Navigation Bar (Figure 7) appears at the top of the IBNRS screens.

Figure 7: Navigation Bar

The Navigation Bar provides access to the various program areas and forms within IBNRS:

- **Main** – IBNRS Welcome Screen
- **Medicaid** – Medicaid Form CMS-R199
- **CHIP** – CHIP Form CMS-10180
- **Regional Office** – Regional Office utilities
- **Central Office** – Central Office utilities
- **Admin** – Administrative functions
- **Report History** – previously requested reports

The selections available on your Navigation Bar correspond to the functional access you have been granted.

3.4.2 Common User Links

The following common user links (see Figure 6) are available to IBNRS system users on the IBNRS screens:

- [Log Out](#)
- [Profile](#)
- [Help](#)
- [Refresh](#)
- [A+](#) and [A-](#) font-size links

These links are located in and directly above the Navigation Bar and are further described in the following paragraphs.

3.4.2.1 Log Out Link

To log out of IBNRS, click on the [Log Out](#) common user link in the upper right corner of the screen.

3.4.2.2 Profile Link

The [Profile](#) common user link presents your profile and allows you to change the [password](#), [theme](#), and [email address](#). The profile includes the following items:

- User ID
- Name
- Email Address
- State Access (U.S. states and territories to which you have access/permissions)
- Theme (background color)

To access your user profile:

1. Click on the [Profile](#) link. The *My User Profile* screen (Figure 8) appears.

Figure 8: My User Profile Screen

2. Review your permissions to verify that all of the information is correct.
3. If necessary, make changes to the background color and your email address as shown in the following sections. For any other changes to your profile, see the contacts listed in Section 5.4 and on the *IBNRS Welcome* screen (Figure 5).

3.4.2.2.1 Select Background Color

To choose one of the four available background colors for your IBNRS screens, select it from the **Theme** drop-down on the *My User Profile* screen (Figure 8). The color is changed instantly.

A selection of **None** presents a white background.

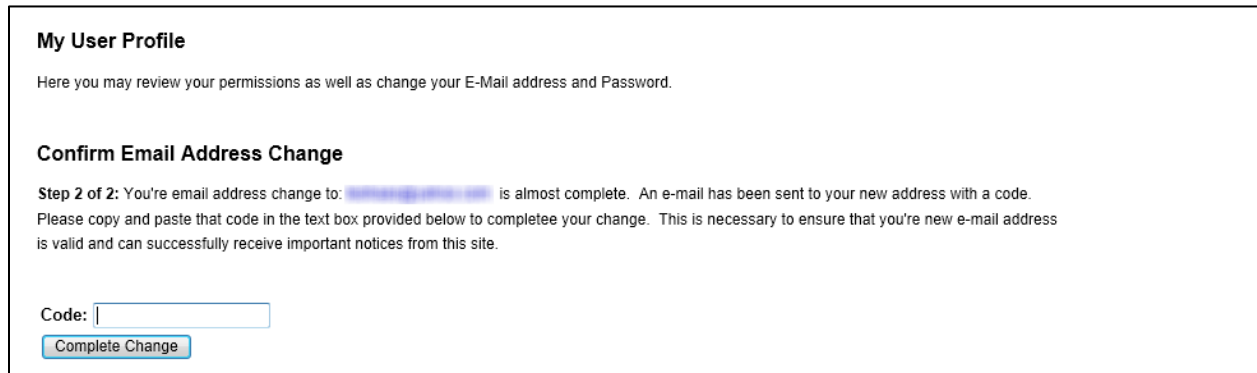

3.4.2.2.2 Change Email Address

Perform the following steps if you wish to change your email address:

1. Click on the [Change E-Mail Address](#) link located next to your present e-mail address in the *My User Profile* screen (Figure 8). The *Change Email Address, Step 1* screen (Figure 9) appears.

Figure 9: Change Email Address, Step 1

2. Enter your new email address in the **New Email Address** textbox.
3. If you are not sure you want to change your email address, click on the **Cancel** button. You are returned to the *My User Profile* screen (Figure 8).
4. If you are sure you want to change your email address, click on the **Submit Change** button. The *Change Email Address, Step 2* screen (Figure 10) appears.

My User Profile

Here you may review your permissions as well as change your E-Mail address and Password.

Confirm Email Address Change

Step 2 of 2: You're email address change to: [redacted] is almost complete. An e-mail has been sent to your new address with a code. Please copy and paste that code in the text box provided below to complete your change. This is necessary to ensure that you're new e-mail address is valid and can successfully receive important notices from this site.

Code:

Figure 10: Change Email Address, Step 2

5. Copy the code that was sent to your new email address.
6. Paste the code into the **Code** field.
7. Click on the **Complete Change** button. A confirmation appears.
8. Click on the [Continue](#) link. You are returned to the *My User Profile* screen (Figure 8).

3.4.2.2.3 Change Password

You cannot change your password if you have changed it less than 24 hours ago. Perform the following steps if you wish to change your password:

1. Click on the **Change Password** button. The *Change Password* dialog (Figure 11) appears:

My User Profile

Here you may review your permissions as well as change your E-Mail address and Password.

2. Click on the [this document](#) link in the *Change Password* dialog if you want to review the [Password Requirements for IBNRS](#).
3. Enter your present password in the **Password** field.
4. Enter your new password in the **New Password** field.
5. Enter your new password in the **Confirm New Password** field.
6. If you change your mind about changing your password, click on the **Cancel** button. You are returned to the *My User Profile* screen (Figure 8).
7. If you want to change your password, click on the **Change Password** button. The *Change Password Complete* confirmation appears.
8. Click on the **Continue** button on the *Change Password Complete* confirmation. You are returned to the *IBNRS Welcome* screen (Figure 5).

3.4.2.3 Help Link

Click on the [Help](#) link to access the IBNRS System Help. For further questions that cannot be answered by System Help, contact any of the individuals listed in Section 5.4 and on the *IBNRS Welcome* screen (Figure 5).

3.4.2.4 Refresh Link

Click on the [Refresh](#) link to refresh the screen.

3.4.2.5 Font Size Links

You can increase or decrease the font size on the IBNRS screens:

- Click on the [A+](#) link to increase the font size of all text on the screen.
- Click on the [A-](#) link to decrease the font size of all text on the screen.

3.4.3 Common Controls

IBNRS has screen controls in the form of icons, buttons, and links. Some of the screen controls are found in the screen displays and dialogs, while others are found in pop-up messages. These functions are accessed by clicking the various buttons, symbol icons, or text links that are listed and described in detail in the following tables:

3.5 Exiting the System

To exit the IBNRS system click on the [Log Out](#) link in the top, right corner of the window. You are returned to the *CMS Warning Page* (Figure 1).

Note: Please be sure to use the [Log Out](#) link in the application. After closing the browser without logging out, you will be required to wait 20 minutes before you will be able to log in again.

4. Using the System

This section provides detailed, step-by-step instructions on how to use the various functions of IBNRS, accessible from the Navigation Bar:

- [Main](#) – IBNRS Welcome Screen
- [Medicaid](#) – Medicaid Form CMS-R199
- [CHIP](#) – CHIP Form CMS-10180
- [Regional Office](#) – Regional Office utilities
- [Central Office](#) – Central Office utilities
- [Admin](#) – Administrative functions
- [Report History](#) – previously requested reports

4.1 Main

After clicking on the **Main** button in the Navigation Bar, the *IBNRS Welcome* Screen (Figure 12) appears. This screen shows the date, a welcome message, the list of contacts, and a link to the system messages.

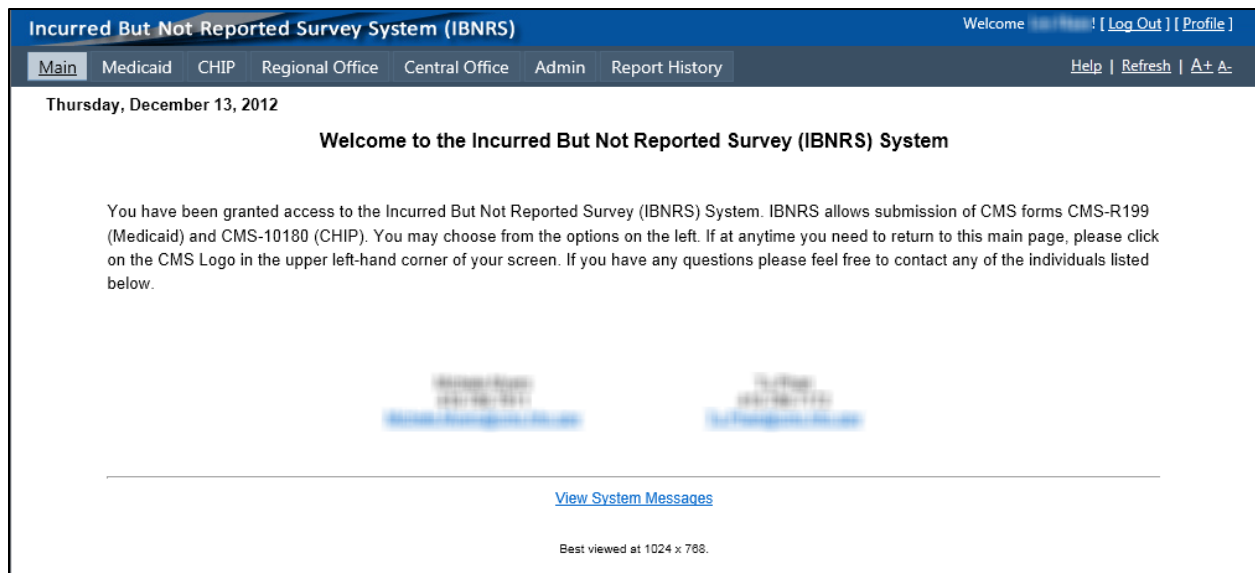

Figure 12: IBNRS Welcome Screen

To view the system messages:

1. Click on the [View System Messages](#) link. The *IBNRS Message Alert* window (Figure 13) pops up.

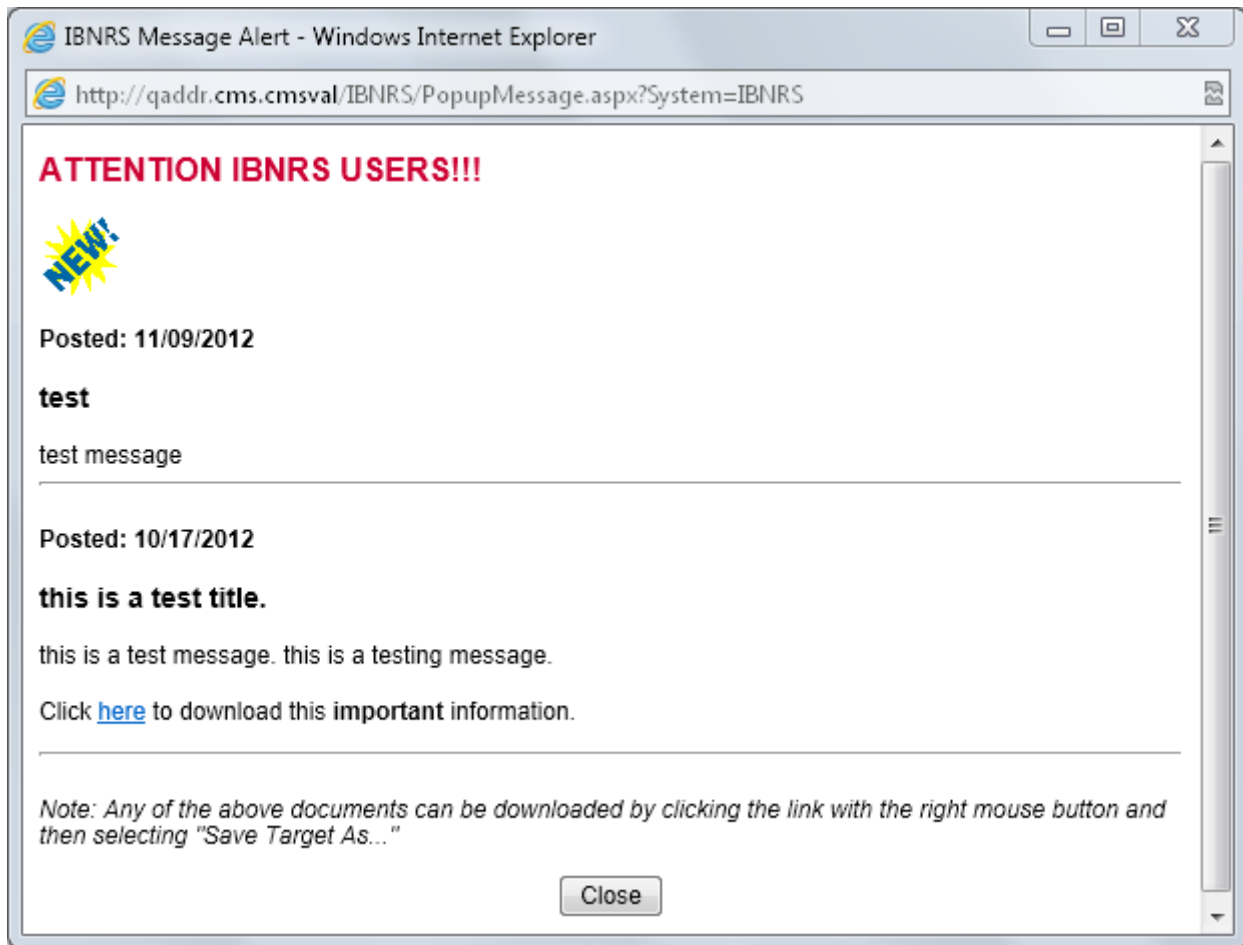

Figure 13: IBNRS Message Alert Window

2. Read the messages. Some messages contain a hyperlink for additional information.
3. Click on the **Close** button. The *IBNRS Message Alert* window disappears.

4.2 Medicaid (Form CMS R-199)

To access the *Medicaid R-199 Forms* screen (Figure 14):

1. Click on the **Medicaid** button on the Navigation Bar.
2. Select the **state** for which you want to access the forms from the drop-down.

This screen allows you to perform the following tasks:

- [Adding a form](#)
- [Browsing a form](#)
- [Editing a form](#)
- [Certifying a form](#)
- [Auditing a form](#)
- [Generating reports](#)

Please answer the following questions.						
1. Compare the fiscal year (FY) 2010 CHIP Incurred But Not Reported (IBNRS) survey Accounts Payable reported on Section I, line 4 of the CMS-10180 to FY 2011 and provide an explanation for the increase or decrease.						
After 2010's change in methodology, the amount in line 4 for 2010 is an anomaly. Florida's state policy will cause the amount to be zero in future years.						
2. Were there any anticipated or expected changes in the state's Accounts Payable (Section I) at 6/30/11 vs. 9/30/11? If so, identify the underlying factor(s) and describe the expected effect on the payable.						
No.						
3. Has there been any change in the state's methodology for estimating the CHIP IBNRS payable between FY 2010 and FY 2011? If so, what is the effect on the CHIP IBNRS payable?						
No. Previous interpretation of IBNR procedures had been incorrect. Future amounts should be zero barring anomalies.						
4. Does the state perform a validation of the prior year CHIP IBNRS payable (e.g., run out of claims)? If so, describe the method used.						
The state performs an analysis of payables vs. actual expenditures at the end of the certification forward period (9/30/20XX); subsequent adjustments may be necessary to payables.						
5. Are the average number of business days that elapse from when a service is provided to a CHIP beneficiary until the state reimburses the provider for the claim at 6/30/11 expected to increase due to state budget constraints? If so, do you expect the same trend at 9/30/11?						
No.						
6. Do you expect an increase in the Federal Medical Assistance Percentage (FMAP) percentage for FY 2011?						
Increase had occurred.						
7. Has there been significant growth in the number of CHIP Program participants in FY 2011? If so, what is the effect on the IBNRS payable?						
No significant increase.						
8. Has the mix of fee for service vs. managed care changed during FY 2011? If so, what is the effect on the CHIP IBNRS payable?						
No.						
9. Were there any major changes to the state's CHIP plan in FY 2011 that would have an effect on the CHIP IBNRS payable? If so, describe.						
No.						
10. Have there been any changes in the state's process relating to paying claims in FY 2011 that would affect the CHIP IBNRS payable?						
No.						
11. Compare the FY 2010 CHIP IBNRS survey Accounts Receivable reported in Section II, line 5, of the CMS-10180 to the FY 2011 and provide an explanation for the increase or decrease.						
No change.						
12. Has there been any change in the state's methodology for estimating the CHIP IBNRS Accounts Receivable (Section II) from the prior fiscal year to the current fiscal year? Describe the current methodology used to estimate the CHIP IBNRS Accounts Receivable for each of the following categories; (a) Overstated Claims (claims paid in excess of the proper amount); (b) Drug Rebates (states, CMS and drug manufacturers have an agreement whereby if a state's CHIP population uses a specific drug above a predetermined threshold, the drug manufacturer will provide a rebate within 30 days to the state); (c) Other (any receivables not captured on the above lines).						
Yes. As reported last year, the IBNR recognizes only the amount outstanding after 9/30/2011. The State of Florida deletes any items after 9/30/20XX.

2. Select a form type from the **Form** drop-down.
3. Select the year using one of two methods:
 - a. Click on the **Previous Year** or **Next Year** icons until the year shown is the year for which you want to certify forms.
 - b. Use the *Change Submission Date* screen (Figure 41):
 - i. Click on the [year](#) link in the *RO Forms* screen (Figure 40). The *Change Submission Date* screen (Figure 41) appears.

Figure 41: Change Submission Date Screen

- ii. Enter the year in the **Year** field.
- iii. Click on the **Change** button. The *Change Submission Date* screen disappears, and the year is updated in the *RO Forms* screen.

The *RO Forms* screen contains a list of all submissions for all states and the State, RO, and CO certification status of those submissions. Depending on your permissions, you can [browse](#) the forms and/or [certify](#) them.

4.4.1 Browse Form

To browse any of the forms previously entered by the state:

1. In the *RO Forms* screen (Figure 40), select the **Form** from the drop-down.
2. [Select the year](#).
3. Click on the **Browse** icon for the form you want to browse. Depending on the form you have selected in Step 1, the *Browse Form R-199* screen (Figure 18) or *Browse Form CMS-10180* screen (Figure 31) appears.
4. If you want to download the form in Excel format, click on the **Excel** button and follow your browser's instructions.
5. If you want to return to the *RO Forms* screen (Figure 40), click on the **Return** button.
6. If you want IBNRS to generate a report of the form and email it to you, click on the **Print** button. The form is sent to you in an email attachment. The [Report History](#) appears. See Section 4.8 for details.

4.4.2 Certify Form

To perform RO certification on a form:

1. In the *RO Forms* screen (Figure 40), select the **Form** from the drop-down.
2. [Select the year.](#)
3. Click on the **Certify** icon for the form you want to certify.
 - a. If the selected form for the state is already RO certified, an *Already Regional Office Certified* message (Figure 42) appears.

Figure 42: Already Regional Office Certified Message

- i. Click on the **OK** button. Depending on the selection you made in Step 1, the *Form R-199 Questionnaire, Filled out* (Figure 21) or *Form CMS-10180 Questionnaire, Filled out* (Figure 34) appears.
 - ii. Click on the **Continue** button. The *Print Regional Office Certification* screen (Figure 45) appears.
 - iii. Continue as described in Step 4.
- b. If the selected form for the state is not RO certified, the *Regional Office Certify* screen appears. The example shown in Figure 43 is for Form R-199 for the state of Florida for 2012.

Figure 43: Regional Office Certify Screen

- i. Read the certification statement.
- ii. Click on the top **Click to Review** button. Depending on the selection you made in Step 1, the *Browse Form R-199* screen (Figure 18) or *Browse Form CMS-10180* screen (Figure 31) appears.
- iii. Read the state form.
- iv. Click on the **Close** button in the form. The check box next to the top **Click to Review** button is now checked, indicating that you read the state form submission.
- v. Click on the bottom **Click to Review** button. Depending on the selection you made in Step 1, the *Form R-199 Questionnaire, Filled out* (Figure 21) or *Form CMS-10180 Questionnaire, Filled out* (Figure 34) appears.
- vi. Read the questionnaire.
- vii. Click on the **Close** button in the form. The check box next to the bottom **Click to Review** button is now checked, indicating that you read the state questionnaire and certification.
- viii. Enter your name in the **Signature** field.
- ix. Enter your title in the **Title** field.
- x. Select either the **Yes** radio button to indicate you intend to certify the form, or the **No** radio button to indicate you intend to deny certification for the form.
- xi. If you selected the **No** radio button in the previous step, a **Please Explain** text box appears. Enter an explanation in the text box.
- xii. If you are not sure you want to RO certify this form, click on the **Cancel** button. You are returned to the *RO Forms* screen (Figure 40).
- xiii. If you are sure you want to RO certify this form, click on the **OK** button. The *Certification Complete* window (Figure 44) pops up.

2. In the *Admin* screen, select the applicable text link.

This section provides step-by-step instructions on how to use the listed Admin functions.

4.6.1 User Maintenance

To perform maintenance on user accounts, click on the [User Maintenance](#) text link on the *Admin* screen (Figure 54). The *Manage User Accounts* screen (Figure 55) appears.

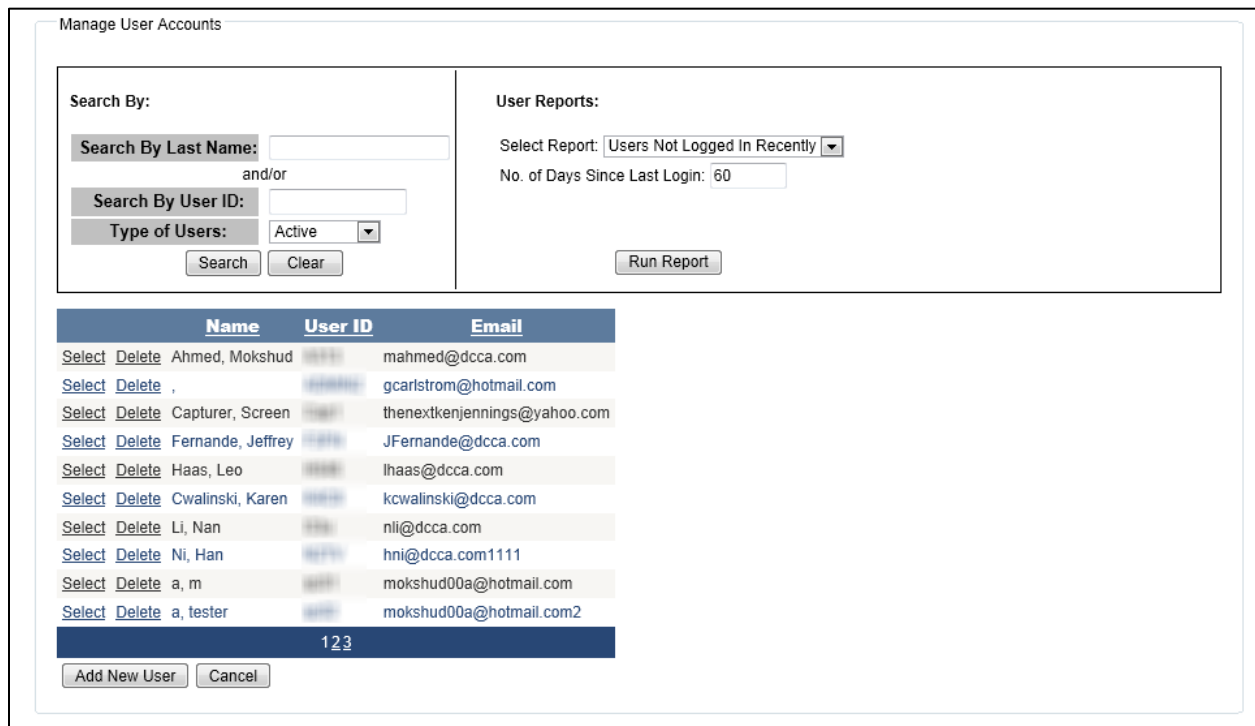

Figure 55: Manage User Accounts Screen

This screen contains a list of current users, and allows you to perform the following tasks:

- [Sorting the list of users](#)
- [Searching for a user account](#)
- [Adding a new user account](#)

- [Modifying a user account](#)
- [Deleting an existing user account](#)
- [Running user reports](#)

If your User Account allows you to manage user accounts, you can perform all tasks on all accounts. You cannot modify your own user account.

4.6.1.1 Sorting the List of Users

The *Manage User Accounts* screen (Figure 55) contains a list of users. You can sort this list by name, User ID, and email. To do so, click on the column header.

4.6.1.2 Searching for Users

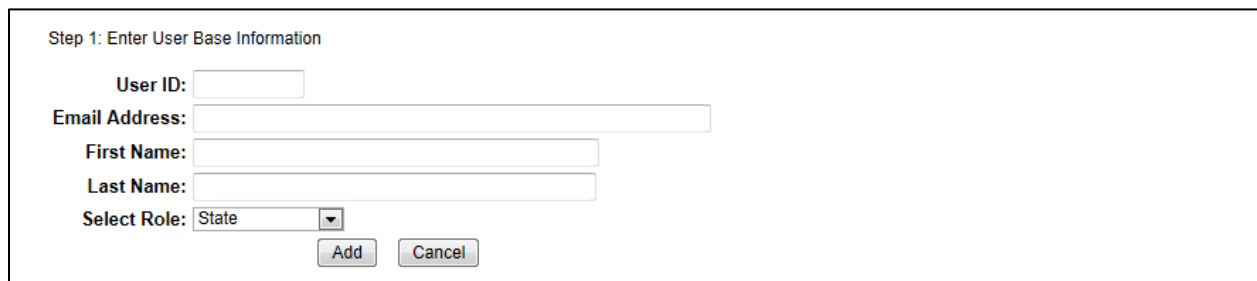

To search for an existing user:

1. In the *Manage User Accounts* screen (Figure 55), enter search criteria in the fields of the **Search By:** area.
2. Click on the **Search** button. The list of users is updated to match the search criteria.

4.6.1.3 Adding a New User

To add a new user:

1. Click on the **Add New User** button on the *Manage User Accounts* screen (Figure 55). The *Step 1: Enter User Base Information* screen (Figure 56) appears.

8. To add access for a single state:
 - a. Select the state from the **State** drop-down.
 - b. Check the appropriate **Access** boxes (Read and/or Write).
 - c. Click on the right-most **Update State Access** button. The State Access list is updated.
 - d. If you need to add more states for this user, return to Step 7.
9. To modify the access for all states:
 - a. Select **All States Access** from the **Select Action** drop-down.
 - b. Check the appropriate **Access** boxes (Read and/or Write).

- c. Click the left-most **Update State Access** button. A confirmation pop-up appears.
 - d. Click on the **OK** button. The State Access list is updated.
 - e. If you need to make more State Access modifications for this user, return to Step 6.
10. To modify the access for all states of a specific region:
- a. Select **Specific Region Access** from the **Select Action** drop-down. A **Select Region** drop-down appears.
 - b. Select the region from the **Select Region** drop-down.
 - c. Check the appropriate **Access** boxes (Read and/or Write).
 - d. Click the left-most **Update State Access** button. A confirmation pop-up appears.
 - e. Click on the **OK** button. The State Access list is updated.
 - f. If you need to make more State Access modifications for this user, return to Step 6.

4.6.4 System Email Messages

The system sends automatically generated email message to users for the following events:

- CMS-R199 Certification
- CMS 10180 Certification
- Account Disabled
- Account Locked Out
- Password Reset
- Regional Office Approval
- User ID Reminder
- Account About to Be Disabled
- User Creation (one for the User ID, and one for the temporary password)

You can modify any of these messages. If applicable, you can also change after how many days the message is sent.

To edit any of these messages:

1. Click on the [System Email Messages](#) text link on the *Admin* screen (Figure 54). The *System Email Messages* screen (Figure 67) appears.

4.6.5 User Audit

To audit the activity of a specific user:

1. Click on the [User Audit](#) text link on the *Admin* screen (Figure 54). The *Audit User Accounts* screen (Figure 68) appears.

Figure 68: Audit User Accounts Screen

2. Select the user for whom you want to perform an audit from the **User** drop-down.
3. Select the audit type from the **Audit Type** drop-down.
4. Enter a date in the **From Date** field, if necessary using the **calendar** drop-down.
5. Enter a date in the **To Date** field, if necessary using the **calendar** drop-down.

Note: The **To Date** is not inclusive. If you want to include today's activities, set it to tomorrow's date.

6. To receive the report in Excel format, click the **Report** button. The Report History screen (Figure 76) appears. See Section 4.8 for details.

You will also receive an email with the report attached.

7. Repeat Steps 2 through 6 as often as needed.
8. Click on the **Return** button. You are returned to the *Admin* screen (Figure 54).

4.6.6 Open Periods

State users can only enter data into the Medicaid CMS-R199 and CHIP CMS-10180 forms during a specific time of the year. The time during which states can enter data is called an Open Period. Administrative personnel with appropriate access privileges can manage the Open Periods by performing the following steps:

1. Click on the [Open Periods](#) text link on the *Admin* screen (Figure 54). The *Open Periods* screen (Figure 69) appears.

4.7 Reports

To obtain a report:

1. In the *Medicaid R-199 Forms* screen (Figure 14), *CHIP CMS-10180 Forms* screen (Figure 27), or *CO Forms* screen (Figure 46), click on the **Report** button. The *Report Options* screen appears. The example shown in Figure 72 was opened from the *Medicaid R-199 Forms* screen (Figure 14).

Figure 72: Report Options Screen

2. Select a **Reports Type**. The default shown in this drop-down depends on the screen from which you entered the *Report Options* screen. The appearance of the screen changes depending on your selection:
 - a. If you selected **MEDICAID** for the **Reports Type**, select one of the radio buttons under **Medicaid Reports**. Continue at Step 3.
 - b. If you selected **CHIP** for the **Reports Type**, select one of the radio buttons under **CHIP Reports**. Continue at Step 3.
 - c. If you selected **CO** for the **Reports Type**, the screen looks as shown in Figure 73. Make the following selections:
 - i. Select a form from the **Form** drop-down.
 - ii. If you want to include the average number of business days that elapse from when a service is provided to a Medicaid beneficiary until the state reimburses the provider for the claim in the report, check the box labeled **Include Average Days**.
 - iii. Check the boxes for the line items that you want to include in the report.

5. Troubleshooting & Support

5.1 Error Messages

5.1.1 IBNRS Session Expiration Pending Alert

Your IBNRS session expires after 15 minutes of inactivity. The message shown in Figure 78 pops up 3 minutes prior to session expiration, allowing you to renew the current session.

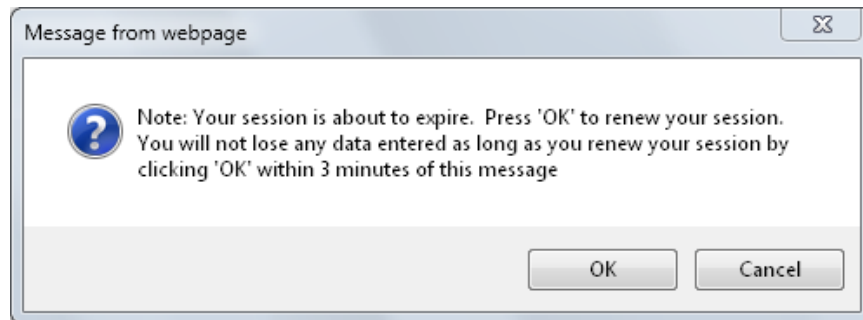

Figure 78: Pending Session Expiration Alert

To prevent your session from expiring, click on the **OK** button. The previously accessed screen will be retained. To exit the session, click on the **Cancel** button.

Note: If 3 minutes have already passed, you must log in again. As advised in the *Session Expired Alert* (Figure 79), all data entered in the form you were working on is lost.

Figure 79: Session Expired Alert

5.1.2 Error/Warning Message Pop-ups

Error or warning pop-ups occur when attempting to save items with missing or incorrect data. More than one error may be reported at the same time. The error message pop-up shown in Figure 80 identifies 28 errors on the same form. Red asterisks identify where the errors were made on the form.

The screenshot shows a web-based form for Medicaid reporting. The form is titled 'Medicaid' and has tabs for 'CHIP', 'Regional Office', 'Central Office', 'Admin', and 'Report History'. The form contains several sections with textboxes and asterisks indicating required fields or validation rules. A pop-up message box titled 'Message from webpage' is displayed over the form, listing various validation rules. The message box contains the following text:

- Latest CAFR date is required
- Section 1, Line 1 Total: Must be 0 or greater
- Section 1, Line 1 FFP: Must be 0 or greater
- Section 1, Line 2 Total: Must be 0 or greater
- Section 1, Line 2 FFP: Must be 0 or greater
- Section 1, Line 3 Total: Must be 0 or greater
- Section 1, Line 3 FFP: Must be 0 or greater

- Section 2, Line 4 FFP: Must be 0 or greater
- Section 2, Line 6 Total: Must be 0 or greater
- Section 2, Line 6 FFP: Must be 0 or greater

The form also includes a section for 'III. AVERAGE DAYS' with a text input field set to '35' and a 'Days' label. At the bottom of the form, there are 'Save' and 'Cancel' buttons.

Figure 80: Error Message Example

If you receive an error or warning message pop-up:

1. Click on the **OK** button. You are returned to the form.
2. Locate any red asterisks to the immediate right of the textboxes.
3. Make the required corrections on the form.
4. Click on the **Save** button.

5.1.3 Error Information Screens

Figure 81 shows a sample of an error screen. To expedite resolution of the error, all errors occurring in the system will be logged and tracked using the Error ID number.

5.2 Resolving Password Issues

This section provides step-by-step instructions for forgotten passwords and User IDs.

5.2.1 Forgotten Password

Perform the following steps if you forgot your password:

1. On the *IBNRS Login* screen (Figure 2), click on the [Forgot Password](#) link. The *Forgot User ID or Password* dialog (Figure 82) appears.

Figure 82: Forgot User ID or Password Dialog

2. Enter your email address in the Email Address field.
3. Click on the **Forgot Password** button. A *Password Reset* message (Figure 83) appears. You will also receive an email message with a temporary password.

4. Click on the **Return to Login Page** button. You are returned to the *CMS Warning* page (Figure 1).
5. Follow the instructions from Step 3 in Section 3.3, Accessing IBNRS.

5.2.2 Forgotten User ID

Perform the following steps if you forgot your User ID:

1. On the *IBNRS Login* screen (Figure 2), click on the [Forgot Password](#) link. The *Forgot User ID or Password* dialog (Figure 82) appears.
2. Enter your email address in the Email Address field.
3. In the *Forgot User ID or Password* dialog, click on the **Forgot User ID** button. A User ID Sent message (Figure 84) appears. You will also receive an email with your user ID:
