HEAD START STAFF (FAMILY SERVICES STAFF) ROSTER FORM

NOTE: A FACES study team liaison will request a list of all Family Services staff (FSS). The attached FSS Roster form is an example of the information required for sampling (number and names of FSS, their title, and the centers they serve). Head Start staff may either physically fill out the attached roster or provide the information in various formats, such as print outs from an administrative record system or photocopies of hard copy list or records. The liaison will enter the roster information for each program into a data entry program.
