7S Region 4 2016 v.4

Species Codes	Species	Common name
CORA	<i>Corynorhinus rafinesquii</i>	Rafinesque's big-eared bat
COTO	<i>Corynorhinus townsendii</i>	Townsend's big-eared bat
COIN	<i>Corynorhinus townsendii ingens</i>	Ozark big-eared bat
EPFU	<i>Eptesicus fuscus</i>	Big brown bat
EUFL	<i>Eumops floridanus</i>	Florida bonneted bat
LABO	<i>Lasiurus borealis</i>	Eastern red bat
LACI	<i>Lasiurus cinereus</i>	Hoary bat
LAIN	<i>Lasiurus intermedius</i>	Northern yellow bat
LANO	<i>Lasionycteris noctivagans</i>	Silver-haired bat
LASE	<i>Lasiurus seminolus</i>	Seminole bat
MOMO	<i>Molossus molossus</i>	Velvety free-tailed bat
MYAU	<i>Myotis austroriparius</i>	Southeastern myotis
MYGR	<i>Myotis grisescens</i>	Gray bat
MYLE	<i>Myotis leibii</i>	Eastern small-footed bat
MYLU	<i>Myotis lucifugus</i>	Little brown bat
MYSE	<i>Myotis septentrionalis</i>	Northern long-eared bat
MYSO	<i>Myotis sodalis</i>	Indiana bat
NYHU	<i>Nycticeius humeralis</i>	Evening bat
PESU	<i>Perimyotis subflavus</i>	Tri-colored bat
TABR	<i>Tadarida brasiliensis</i>	Brazilian free-tailed bat
MYLU_MYSO	<i>M. lucifugus or M. sodalis</i>	Little brown or Indiana bat
UNKN	<i>Unknown</i>	Unknown
UNMY	<i>Unknown Myotis</i>	Unknown Myotis
UNLA	<i>Unknown Lasiurine</i>	Unknown Lasiurine
NOBATS	<i>No bats</i>	No bats

Bat species	Bat ID (if applicable)

Used by this bat the night of this count? (if applicable)	Roost ID (use drop-down menu)	Total Emergence Count

Date	Comment

Species	Number of calls ID'ed for that species	Bat ID Software Program Used	Software Version Used

If calls were converted from Full Spectrum to Zero Cross, what program was used?	Maximum Likelihood Estimation (MLE) <i>P</i>-value	Number of Calls Confirmed through Qualitative ID (if conducted)

Name of Individual who Conducted Qualitative ID (if conducted)	Site (use drop-down menu)

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, et seq.) and the

The gathering of information on fish and wildlife is authorized by:

(Authorizing statutes can be found at: <http://www.gpoaccess.gov/cfr/index.html> and <http://www.gpoaccess.gov/cfr/index.html>)

- a. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), 50CFR 17;
- b. Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16;
- c. Convention on International Trade in Endangered Species of Wild Fauna and Flora (1973 U.S.C. 1532), 50 CFR 17.41;
- d. General Provisions, 50 CFR 10;
- e. General Permit Procedures, 50 CFR 13; and
- f. Wildlife Provisions (Import/export/transport), 50 CFR 14.

2. Information requested in this form is purely voluntary. However, submission of requests under the above laws. Failure to provide all requested information may be sufficient cause for the denial of a permit or the withdrawal of a permit and you are not required to respond to a collection of information unless it is required by law.

3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1532) will be published in the Federal Register as required by the two laws.

4. Disclosures outside the Department of the Interior may be made without the consent of the Department if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, Sept. 11, 2003)

a. Routine disclosure to subject matter experts, and Federal, tribal, State, local, and foreign governments for making a decision on an application for a permit or when necessary to accomplish a FWS management action.

b. Routine disclosure to the public as a result of publishing Federal Register notices and notices of the decision on a permit application.

c. Routine disclosure to Federal, tribal, State, local, or foreign wildlife and plant agencies to assure compliance with all applicable permitting requirements.

d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act of 1973 information on the captive breeding of these species.

e. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative or adjudicative body, under certain circumstances.

f. Routine disclosure to the appropriate Federal, tribal, State, local, or foreign government or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation and need to monitor activities associated with a permit or regulated use.

g. Routine disclosure to a congressional office in response to an inquiry to the office by a member of Congress.

h. Routine disclosure to the Government Accountability Office or Congress when the information is requested for a report.

j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to collect or compromise a Federal claim against the debtor or to consumer reporting agencies.

5. For individuals, personal information such as home address and telephone number, financial information, and date of birth (if applicable) will be removed prior to any release of the application.

6. The public reporting burden on the applicant for information collection varies depending on the type of permit application. For an Enhancement of Survival permit application is 2.5 hours. This burden estimate includes the time for reviewing the instructions, gathering the data, reviewing the form, and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing the burden, to the Clearance Officer, U.S. Fish and Wildlife Service, MS: BPHC, 5275 Leesburg Pike, Falls Church, VA 22041.

Privacy Act of 1974 (5 U.S.C. 552a), please be advised:

<http://www.fws.gov/permits/ltr/ltr.html>.)

(TIAS 8249), <http://www.cites.org/>, 50 CFR 23;

Information is required as a condition of permits authorized under the U.S. Fish and Wildlife Service to deny a permit request. We may not list it if it displays a currently valid OMB control number.

(16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16

of an individual under the routine uses listed below, if the disclosure is required under the Privacy Act (5 U.S.C. 552a) as amended on October 4, 2003)

to foreign agencies, for the purpose of obtaining advice relevant to the function related to this system of records.

in announcing the receipt of permit applications for public comment

agencies for the exchange of information on permits granted or

under the Marine Mammal Protection Act for the exchange of authorized species, and to share

with an administrative body or to a party in litigation before a court or

with a Federal or State mental agency responsible for investigating, prosecuting, enforcing, or preventing a potential violation of such statutes, rules, or licenses, or when we

disclose information to the individual to whom the record pertains.

Information is required for the evaluation of the permit programs.

Information is required to be provided to debt collection agencies for purposes of locating a debtor to prepare a commercial credit report for use by the FWS.

Information is required for financial data, and personal identifiers (social security number, birth

information on the activity for which a permit is requested. The relevant burden is the time for reviewing instructions, gathering and maintaining data, and estimating the cost of the estimate or any other aspect of the form to the Service Information Center, VA 22041-3803.
