Dear IRS Employee Plan Determination Letter Request Customer:

I need your help with an important initiative we are undertaking to improve our service to America's taxpayers.

IRS recently made a determination on the qualification of your organization's employee pension plan. In a few days, you will receive a survey asking your opinions about your experience and the service you received from IRS. If you are not the person who had the most contact with the IRS on this matter, please direct the survey to the person who did.

This brief survey should take less than 8 minutes to complete. Your answers will be combined with others to give us an evaluation of customer satisfaction with IRS service.

An independent research company, ICF International, will administer the survey and will keep your responses anonymous to the IRS. No identifying information will be associated with your responses. Your responses will be compiled with those of other recent customers and reported only in the aggregate to the IRS.

We are committed to improving service to every customer. Please help me in this effort by completing and returning the survey as soon as possible.

Sincerely,

Sarah Hall Ingram  
Commissioner

Dear JOHN Q & MARY Q SAMPLE:

A few days ago you received a letter from IRS, Tax-Exempt and Government Entities Commissioner Sarah Ingram asking for your help with an important research project. The Internal Revenue Service (IRS) is committed to improving its performance and service to the American public. As part of this process, we are administering a nationwide survey to gather reliable information from those who have had contact with IRS employees and services.

Your name was selected through a scientific random sampling process to receive this survey because you recently handled an Employee Plan Determination Letter Request for your client. We want to know your opinions regarding that experience and the service you received from IRS. Your responses are critical to the accuracy of this evaluation of the IRS's service. If another person was primarily responsible for dealing with the IRS on this matter, please pass this survey on to them and encourage them to respond.

Your participation is voluntary. An independent research company will keep your responses anonymous to the IRS. Your responses will be grouped with others, so that no individual reply can be traced back to a person or case number. No identifying information will be associated with your responses.

This brief survey should take less than 8 minutes to complete. Use the postage-paid reply envelope to return your completed survey. If you have any questions or concerns, please feel free to call ICF International toll free at 1-866-287-5762 or e-mail us at [EPDSurvey@mmail.macrointernational.com](mailto:EPDSurvey@mmail.macrointernational.com).
