When the call the CSR/CR is assisting has been selected for the Customer Satisfaction Survey, the assistor will be notified their call was selected by a display on the Aspect screen, they will no longer hear a beep. The teleset display will show - **TF Offer Cust Sat Survey**. The display will show throughout the call, unless the TP is put on hold.

NOTE: If the CSR/CR is going to transfer the caller to another number or application, (the taxpayer would not have normally hung up) do not notify the caller or offer the survey.

- b. The CSR/CR will complete the call as usual.
- c. After the call is complete, the CSR/CR will read the following script **exactly as written**:

"This call has been randomly selected to participate in a brief survey regarding the service you received today. The survey will take about ten minutes. You must also have a touch tone phone. Participation is voluntary. Would you like to participate in the survey?"

- d. If the caller declines to participate, the CSR/CR will thank him/her and terminate the call.
- e. If the caller asks any questions about the survey, the CSR/CR will read the following as written:

If the taxpayer	Then respond

Expresses concern for reprisal	"You will not be identified or penalized whether or not you decide to participate."
Asks to be called back later	"Because you would be transferred into an automated survey, we would be unable to call you back at a later time. This is the only opportunity we have to survey you."

For Automated Collection System (ACS): If the caller agrees to take the survey, say:
Thank you for agreeing to take this survey.

To make sure that your answers are anonymous as allowed by law, we are directing your call to an automated survey. When you are connected, you will be asked to press the star key when you are ready to take the survey. Please hold for a few seconds while I transfer your call.
