Dear

We need your help with an important initiative we are undertaking to improve our service to America's taxpayers. We want to get feedback from taxpayers like you who have recently been audited through the mail by the Internal Revenue Service (IRS).

In a few days, you will receive a survey from our contractor, Fors Marsh Group, asking for your opinions about the service you received from the IRS during your audit. Please give this survey to the person in your household who had the most contact with the IRS on this matter. Answering these questions should take less than 5 minutes. Your answers will be combined with responses from other taxpayers to help measure taxpayer satisfaction with IRS service.

The primary purpose for requesting this information is to help the IRS improve its service to taxpayers. Our authority for requesting the information is 5 USC and 26 USC 7801.

Providing information is voluntary. However, if you do not answer all or part of the survey questions, the IRS may lack information it could use to improve taxpayer service. The information you provide may be disclosed to an IRS contractor when authorized by law. The contractor is required to follow to the extent allowed by law protections required by the Privacy Act and/or Internal Revenue Code section 6103.

We are committed to improving IRS service to every taxpayer. Please help us in this effort by completing and returning the survey as soon as possible. If you do not receive a survey within the next week, please contact the Survey Helpline 1-800-521-7177 or email irssurveyhelp@forsmarshgroup.com.

Thank you in advance for your cooperation.

Sincerely,

Kenneth C. Corbin Director, Return Integrity and Compliance Services

You may complete the survey either by mail or online. To complete it online, type the following link into your web browser and enter the password provided below:
