Generally, the Commission may disclose to third parties portions of the "nonpublic" information in the report under the following circumstances: (1) in connection with matters in litigation; (2) in connection with Commission investigations; (3) where the information is furnished to regulatory, self-regulatory and law enforcement agencies to assist them in meeting responsibilities assigned to them by law; and (4) where disclosure is required under the FOIAct.

Petitions for confidential treatment filed by an FCM with respect to any of the public information contained in the Form 1-FR-FCM or the FOCUS report will not be processed by Commission staff.
