

## VMLRP- EMPLOYER SURVEY

The purpose of these questions is to provide you an opportunity to formally provide feedback to VMLRP about your employee and the shortage situation being served. The information you provide will help with continuous improvement and evaluation of the VMLRP and enable us to provide information to congress and stakeholders about the impact the VMLRP service awards. The information you provide in this report will be reported in aggregate such that your individual responses will remain anonymous. Any information about the shortage situation will be shared with State Animal Health Officials and any personally identifiable information will be removed. NIFA staff may contact you if any of your responses require clarification. The survey contains 4 questions. It should take 15 minutes to complete the survey.

Thank you for your time and participation – VMLRP Staff
