SUBJECT: Public Burden Disclosure Statement for the Food Programs Reporting System (FPRS) OMB Control Number (0584-NEW)

In response to question 17 of the Supporting Statement titled Food Programs Reporting System (FPRS), the US Department of Agriculture, Food and Nutrition Service (FNS) plans to display the OMB approval number and the expiration date on the Food Programs Reporting System (FPRS) once OMB approves.

We have verified that the public burden statement for Food Programs Reporting System (FPRS) is accessible to users by clicking on the excel tab while in Submission Studio (users can do this upon opening the form to complete or at any time and at any stage (workfile, certified record, posted record, etc.). The public burden statement is also accessible for every form under the Help tab. Users simply click the Help tab, select OMB approved forms/worksheets and instructions and by form, they can open the form instructions and the PDF of the approved form and the public burden statement is on the form – sometimes at the top, sometimes at the bottom.

If you have any questions regarding this request, please contact Lynnette Thomas, Branch Chief for the Food and Nutrition Service, Planning & Regulatory Affairs Branch at (703) 605-4782.
