

2015 Summer Mail Messaging Test - Softened Mandatory Messaging Treatment

The following table outlines how the current messaging in the ACS production materials is being modified for the Summer Mail Messaging Test - Softened Mandatory Messaging Treatment. The first and second columns list the form number and title of the envelope, postcard, letter, or brochure. The third column explains where the current mandatory messaging appears. The fourth column shows the wording of the current message and the final column shows how the mandatory messaging is modified for this test. In order to make the mandatory messaging easier to identify, it has been highlighted in this table.
