Hi, my name is _____. I am a Research Coordinator at Northwestern University in the Department of General Internal Medicine working with Dr. Michael Wolf. We are doing a research study about over the counter medications. Do you have a few minutes for me to briefly tell you about the study to see if you are interested in participating?

The name of this study is “The Influence of Brand and Principle Display for Safe Consumer use of Over the Counter Drugs” The study number is STU00202120.
