

## Email Invitations

### HCP Invite

Dear Dr. [FirstName] [LastName],

As a valued member of the Physicians Consulting Network, we would like to take this opportunity to invite you to participate in our most recent study regarding prescription opioid pain medications. Below you will find important information about this study.

**Study Number: (TBD)**

**Honorarium: \$57.50**

**Survey Length: Approximately 20 minutes**

Provided you meet the study criteria and successfully complete the survey, you will receive your honorarium within a few weeks. To determine if you meet the criteria of this study, you will be asked eligibility questions (this will only take a few minutes of your time). **Please note this invitation is not transferable.**

Please also note, since we are often required to use quota groups, we recommend completing the survey in one sitting. If you choose to interrupt your session partway through your participation, we strongly suggest that you complete the study within 48 hours. Please remember, it may be possible for quotas to fill before you come back into the survey – preventing you from completing the study. Should this occur, then you will be unable to earn the advertised survey honorarium. You will, however, be directed to our sweepstakes page where you will have multiple chances to win a cash prize.

To access the survey, please log in to your membership profile at <https://www.askpcn.com>.

If you experience difficulty clicking on the above link, then please copy and paste the link into your browser.

Sincerely,  
Physicians Consulting Network
