

Paid Research Study at Northwestern University, Feinberg School of Medicine (750 N Lake Shore Dr.)

Principal Investigator: Dr. Michael Wolf

Study ID: STU00202120

A research team at Northwestern University is looking for adults (age 18-80) to attend a one-time interview as part of a research study. The name of this study is "The Influence of Brand and Principle Display for Safe Consumer use of Over the Counter Drugs." This study is being done in order to understand how consumers identify and choose over-the-counter medications. If you choose to participate we will ask you questions about your over-the-counter medication use and knowledge. The interview that will take about 45 minutes and participants will receive \$30 in compensation.

The interview will take place at Northwestern University's School of Medicine, 750 N. Lake Shore Drive (Lake Shore Dr. and Chicago Ave.)

If you are interested please contact Aimee at aimee.fata@northwestern.edu or (312) 503-6221. Please include your name and phone number when replying by email. A study team member will contact you to give you more information and determine if you are eligible for the study.

Please note that space is limited so we may not be able to accept everyone. Thank you!
