ANEW Program Specific Data Forms

As part of the application submitted through the Grants.gov, applicants must also complete and electronically submit the ANEW Program Specific Data Forms. The ANEW Program Specific Data are essential in determining the traineeship monetary award, the statutory funding preference, and the special consideration. The ANEW Tables are part of the Grants.gov application package.

Copies of the ANEW Program Specific Data Forms are included in the appendix for your reference. The tables must be completed electronically as part of the ANEW application package.

Appendix A

LIST OF ANEW ATTACHMENTS AND ANEW PROGRAM SPECIFIC DATA FORMS

ANEW Program Specific OMB Approved Data Collection Forms and Instructions

Table 1 - ANEW: Graduate Data – Rural, Underserved, or Public Health Practice Settings

Table 2- ANEW Enrollment, Traineeship Support Projected Data

Applicants must adhere to the table instructions to ensure that the data provided are accurate and complete. Schools are encouraged to consult with Program Staff for technical assistance prior to submitting the grant application.

Table 1 - ANEW: Rural, Underserved, and/or Public Health Practice Settings Data

Graduate Data from 7/01/201X to 6/30/201X

<u>Practice Settings</u>	<u>NP</u>	<u>CNS</u>	<u>NMW</u>	<u>CRNA</u>	<u>Grand Total</u>
State or Local Health Departments					
Rural Populations / Settings					
Medically Underserved Populations / Settings					
1. Total Number of Graduates Employed in these Settings (from 07/01/201X – 06/30/201X)					
2. Total Number of Graduates (from 07/01/201X – 06/30/201X)					
3. Percentage of Graduates Employed in these Settings (SFP) (Number 1 divided by Number 2)					
Health Professional Shortage Areas					
4. Percentage of Graduates Employed in HPSAs (SPC) Total Number of Graduates Employed in HPSAs divided by Total Number of Graduates (from 07/01/201X-06/30/201X)					

Instructions for Completing Table 1 - ANEW: Rural, Underserved, and/or Public Health Practice Settings & HPSA Data - Graduate Data from 7/01/201X to 6/30/201X

In order to be eligible for the Funding Preference and/or the Special Consideration, applicants must complete Table 1.

Data on Table 1 should reflect graduate totals for nurse practitioners (NP), clinical nurse specialists (CNS), nurse-midwives (NMW) and certified registered nurse anesthetists (CRNA) who completed program/degree requirements between 07/01/201X and 6/30/201X.

Complete Table 1, as appropriate, providing data on the number of graduates in academic year 7/1/201X-6/30/201X who spend at least 50 percent of their employment in clinical practice sites substantially benefiting rural or medically underserved populations, or in State or local health departments. **Each graduate is to be counted only once.** Table 1 is used to determine if the institution meets the Statutory Funding Preference and also used to determine if the institution meets the Special Consideration.

In the “Total Number of Graduates Employed in These Settings” row, the system will automatically calculate the total number of graduates per specialty employed in these settings. The grand total will be system generated. This is a subset of “Total Number of Graduates”.

In the “Total Number of Graduates” row, enter the total number of graduates who completed degree requirements between 7/01/201X and 6/30/201X in the appropriate column. Enter the grand total: The Grand Total will be system generated. Numbers omitted in this row of Table 1 will not be counted.

In the “Percentage of Graduates Employed in these Settings” row, the system will automatically calculate this figure. $\text{Percentage of Graduates Employed in these Settings} = \frac{\text{Total Number of Graduates Employed in these Settings (from 07/01/201X– 06/30/201X)}}{\text{Total Number of Graduates (from 07/01/201X – 06/30/201X)}}$.

In the “Percentage of Graduates Employed in HPSAs” row, the system will automatically calculate this figure. $\text{Percentage of Graduates Employed in HPSA's} = \frac{\text{Total Number of graduates employed in HPSAs}}{\text{Total Number of Graduates (from 07/01/201X-06/30/201X)}}$.

Table 2: Projected Master’s and/or Doctoral Data

TRAINEESHIP DATA	NURSE PRACTITIONER		CLINICAL NURSE SPECIALIST		NURSE-MIDWIFE		CERTIFIED REGISTERED NURSE ANESTHETIST	
	FT	PT	FT	PT	FT	PT	FT	PT
Total # of Master’s Degree Students Projected to Receive Traineeship – Support in Budget Year 1								
Total # of Master’s Degree Students Projected to Receive Traineeship – Support in Budget Year 2								
Total # of Master’s Degree Students Projected to Receive Traineeship – Support in Budget Year 3								
Total # of Master’s Degree Students Projected to Receive Traineeship – Support in Budget Year 4								
Total # of Doctoral Degree Students Projected to Receive Traineeship – Support in Budget Year 1								
Total # of Doctoral Degree Students Projected to Receive Traineeship – Support in Budget Year 2								
Total # of Doctoral Degree Students Projected to Receive Traineeship – Support in Budget Year 3								

Total # of Doctoral Degree Students Projected to Receive Traineeship – Support in Budget Year 4								
--	--	--	--	--	--	--	--	--

Instructions for Completing ANEW Table 2: Projected Master's and/or Doctoral Degree Data

- Enter the total number of Master's and Doctoral Degree students projected to receive traineeship support in Budget Years 1 (July 1, 201X to June 30, 201X), 2, and 3 as appropriate by their enrollment status (FT or PT) and their specialty role.
- If the ANEW FOA is a two-year funding opportunity, please indicate "N/A" for Budget Year 3.
