Form A: Add Additional Locations[Print](#) [Save](#) [Back](#) [Next](#)

In this section, you will add locations to your bid. You must include on your bid all locations that currently furnish or will furnish items for the competitively bid product category(s) in the CBA(s). On your bid(s), you must include all commonly owned or commonly controlled locations that are located in the CBA or outside the CBA that will furnish items for the product category(s) to beneficiaries who maintain a permanent residence in the CBA(s).

Listed below are all PTANs associated with your primary location's tax identification number (TIN). To add a location(s) to your bid that is not associated with your primary location's TIN, enter the PTAN, TIN, and NPI in the Find Additional Location(s) section, and click the Find Location(s) button. The locations related to the new TIN(s) will appear in the Additional Location(s) section. If you have additional locations associated with a different TIN, you must repeat this step for each TIN combination.

Please note that if you exit this page without selecting a PTAN, the PTAN listing will not appear again. You will need to follow the instructions and repeat the steps.

If you are bidding as a network, the primary network member should add its location(s) on this screen. If there are members of the network with multiple locations, the primary network member should add these members' locations on the Form A: Add Network Member Locations page.

Assign CBA/PCs to Locations (Required) i

Displayed below are the CBA and product category combinations selected by your organization. Assign only those locations that currently furnish or will furnish items for the product category in the selected CBA. Each location identified will be evaluated to ensure it meets all the necessary requirements for the CBA/product category combination.

To assign locations, first select the CBA(s) and product category(s). Next, select the location(s) that will be furnishing the items in the product category(s) by checking the box in the right column. Then click the **Assign CBA/PCs** button. You can assign multiple CBA/product category combinations to multiple locations at one time. You can sort by CBA and product category using the arrows or you can filter the fields by typing in the blank field above the list of CBAs and product categories within this section.

You will need to repeat these steps for all of the CBA/product category combinations for which you wish to bid. To delete a CBA/product category combination for a location, click the **View/Modify** button in the Additional Location(s) section for the location you wish to modify. Once on the location page, you may delete the CBA/product category combination.

Example of how to assign a location: You are bidding for respiratory equipment in El Paso, TX, and you want to assign all of your Texas locations to this bid. Select "El Paso, TX" and "Respiratory Equipment and Related Supplies and Accessories" in the Assign CBA/PCs to Locations section. You can filter by state by entering TX in the field in the Additional Locations section, and then select the PTANs of all locations in Texas that will furnish respiratory equipment in El Paso, TX, and click the **Assign CBA/PCs** button. This will assign those locations to this CBA/product category combination.
