

NPS units and critical to visitors' interaction with and interpretation of said resources. While the NPS has policies in place to monitor and manage acoustical conditions, it does not have information on how visitors value preserving natural sounds and/or reducing noise impacts. NPS plans to conduct a stated-preference survey of visitors in two park units in order to estimate individual values for maintenance or improvement of acoustical conditions within a national park setting.

The purpose of this IC is to continue survey development and pre-testing activities that were initiated in 2013. This continuation will involve a series of focus groups in two NPS units. The intent of the focus groups is to refine and test existing survey materials. Specifically, previous pre-testing efforts indicated that further refinement and testing of stated-preference questions was necessary. Best practice guidelines in the conduct of stated-preference studies require that survey content, language and instructions be clearly understood by respondents so that the results are as accurate and reliable as possible.

[Investigation Nos. 701-TA-467 and 731-TA-1164-1165 (Review)]

Narrow Woven Ribbons With Woven Selvedge From China and Taiwan

Determinations

On the basis of the record¹ developed in the subject five-year reviews, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that revocation of the countervailing duty order on narrow woven ribbons with woven selvedge from China and the antidumping duty orders on narrow woven ribbons with woven selvedge from China and Taiwan would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission, pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)), instituted these reviews on August 3, 2015 (80 FR 46048) and determined on November 6, 2015 that it would conduct full reviews (80 FR 73829, November 25, 2015). Notice of the scheduling of the Commission’s reviews and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on February 29, 2016 (81 FR 10279). The hearing was held in Washington, DC, on July 12, 2016, and all persons who requested the opportunity were permitted to appear in person or by counsel.

¹ The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on September 9, 2016. The views of the Commission are contained in USITC Publication 4634 (September 2016), entitled *Narrow Woven Ribbons with Woven Selvedge from China and Taiwan: Investigation Nos. 701-TA-467 and 731-TA-1164-1165 (Review)*.

By order of the Commission.

Issued: September 9, 2016.
