## Justification for a No Material/Non-Substantive Change

As a result of a Bureau organizational change which elevated the Personnel Security Branch to the Personnel Security Division, the following revisions to ATF F 8620.65, Request for ATF Background Investigation Information, are requested:

- Introductory paragraph, line 1 Replace "Branch (*PSB*)" with "Division (*PSD*)"
- Introductory paragraph, line 2 Replace "PSB staff" with "PSD staff"
- Introductory paragraph, line 2 Replace "<u>PSBVerifications@atf.gov</u>" with "<u>PSDVerifications@atf.gov</u>"
- Requestor Certification section, Federal Agency's Certification Replace "grant" with "granting" (Note: Although this change is not the result of the organizational change, it is a typographical error that should be corrected.)
- PSB Official Use Only section Replace the name of this section with "PSD Official Use Only"
- PSD Official Use Only section Replace "PSB Representative" with "PSD Representative"
- Paperwork Reduction Act Notice, 1<sup>st</sup> paragraph, line 2 Replace "(*Personnel Security Branch*)" with "(*Personnel Security Division*)"
