External Stakeholders Annual Projections and Real-time OOH Survey

<u>Intro</u>

Thank you very much for helping us improve the Occupational Outlook Handbook (OOH). The OOH is the Government's primary source for detailed career information and future outlook (projections) on hundreds of occupations in the United States.

Your participation in this survey is voluntary. We estimate that it will take approximately 10 minutes to complete.

We are collecting this information under OMB Clearance Number 1225–0088. Without this currently approved number, we could not conduct this survey. (Expiration: 10/31/2020)

If you have any questions about this survey, please contact OOH Outreach@bls.gov.
