## Request for Approval under the "DOL Departmental Generic Clearance for the Collection of Routine Customer Feedback" (OMB Control Number: 1225-0088)

**TITLE OF INFORMATION COLLECTION:** Obtaining Customer Feedback from Bureau of Labor Statistics (BLS) Stakeholders.

**PURPOSE:** BLS has participated in three significant strategic planning exercises over the past 20 years. The most recent effort produced the BLS strategic plan for FY 2013-2018, which is currently posted on the BLS public website. The current stakeholder survey is part of a multiprong effort to obtain feedback from a wide variety of stakeholders, which will be used to develop a new strategic plan for FY 2019-2023.

**DESCRIPTION OF RESPONDENTS**: Because BLS serves a diverse audience, the stakeholder survey will tap a similarly diverse audience. Both individuals and groups will be tapped from organizations such as the American Statistical Association, the National Association for Business Economics, the Council of Professional Association on Federal Statistics, the Conference on Research in Income and Wealth, the National Bureau of Economic Research, the Joint Program in Survey Methodology, the Washington Statistical Society, the National Association of State Workforce Agencies, the Interagency Council on Statistical Policy, local universities (e.g., Georgetown, GW, University of Maryland), BLS DUAC and TAC members, FESAC members, IARIW/OECD/ILO Members, BEA staff, Census Bureau staff, the American School Counselor Association, the National Association of Colleges and Employers, and LMI Directors. In addition, a survey invitation will be posted on the BLS public website so that routine visitors will have the opportunity to participate.
