

SUPPORTING STATEMENT  
OMB Number 1545-1072  
INTL-952-86(Final TD 8410) and TD 8228  
Allocation and Apportionment of Interest Expense and Certain  
Other Expenses

25680.     CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

Section 864(e) of the Internal Revenue Code provides rules concerning the allocation and apportionment of interest and certain other expenses to foreign source income for purposes of computing the foreign tax credit limitation. The attached regulations provide for the affirmative election of either the modified gross income method or the asset method of apportionment in the case of a controlled foreign corporation.

25681.     USE OF DATA

By requiring taxpayers to affirmatively elect either method, the Service will be better informed of taxpayer selections and can perform more effective audits of returns.

25682.     USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

We have no plans to offer electronic filing. IRS publication, regulations, notices and letters are to be electronically enabled on an as practicable basis in accordance with the IRS Reform and Restructuring Act of 1998.

25683.     EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

25684.     METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

Because small businesses are by their very nature not big multinationals, foreign tax credits will not figure prominently in their tax compliance efforts. Those who do have foreign income need only indicate their choice of methods in any event.

25685.     CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL

## PROGRAMS OR POLICY ACTIVITIES

Less frequent collection on federal programs and policy activities would result in inaccurate computing the foreign tax credit limitation and ineffective audits of returns.

### 25686. SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)

There are no special circumstances requiring data collection to be inconsistent with Guidelines in 5 CFR 1320.5(d)(2).

### 25687. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS

On September 14, 1988, proposed and temporary (INTL-952-86 and TD 8228), amendments to the Income Tax Regulations implementing section 864(e) were published in the Federal Register. A public hearing was held on February 21, 1989. On August 2, 1989, additional temporary and proposed regulations were published in the Federal Register. On April 15, 1992, final regulations (TD 8410), relating to section 1.861-10(e) relating to certain related controlled foreign corporations indebtedness were published in the Federal register (57 FR 13019).

### 25688. EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS

No payment or gift has been provided to any respondents.

### 25689. ASSURANCE OF CONFIDENTIALITY OF RESPONSES

### 25690. JUSTIFICATION OF SENSITIVE QUESTIONS

25691. ESTIMATED BURDEN OF INFORMATION COLLECTION

Burden Estimation:

Section 1.861-10T(c) provides that a taxpayer should clearly identify on its books and records financial products described in section 1.861-10T. We estimate that 5,000 taxpayers will be required to keep these records and that the time required to make the required identification on the books and records will be 15 minutes. The total burden for this recordkeeping requirement is 1,250 hours.

Section 1.861-9T require taxpayers to apportion interest expense based upon asset values, except to the extent otherwise provided. Section 1.861-9T(f) permits a controlled foreign corporation to use either the asset method of §1.861-9T(g) or the modified gross income method of §1.861-9T(j) to apportion interest expense. Under §1.861-9T(f), the election to use the asset method or the modified gross income method may be made either by the controlled foreign corporation or by the controlling United States shareholders on behalf of the controlled foreign corporation. The election shall be made by filing a written statement described in § 1.964-1(c)(3)(ii). Section 1.861-9T(f)(3)(ii) requires that in the case of any controlled foreign corporation that has a controlling U.S. shareholder and other U.S. shareholders, the controlling U.S. shareholder must send to all other U.S. shareholders the notice described in §1.964-1(c)(3)(iii) indicating what method is elected. We estimate that an election will be required on occasion by approximately 10,000 controlled foreign corporations and that the election and the notice will require 12 minutes to prepare. The total burden for this reporting requirement is 2,000 hours.

The combined total burden is 3,250 hours.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

There are no capital/start-up or ongoing operation/maintenance cost associated with this information collection.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

There are no known annualized costs to the federal government.

15. REASONS FOR CHANGE IN BURDEN

The change in the paperwork burden is due to the elimination of the election under section 1.861-10; which has resulted in a decrease of (500) burden hours. Also, we are making this submission to renew the OMB approval.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

There are no plans for tabulation, statistical analysis and publication.

17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE

We believe that displaying the OMB expiration date is inappropriate because it could cause confusion by leading taxpayers to believe that the regulation sunsets as of the expiration date. Taxpayers are not likely to be aware that the Service intends to request renewal of the OMB approval and obtain a new expiration date before the old one expires.

18. EXCEPTIONS TO THE CERTIFICATION STATEMENT

There are no exceptions to the certification statement for this collection.

Note: The following paragraph applies to all of the collections

of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.
