CERTIFICATION OF MATERIAL EVENTS FORM For All CDFI Fund Programs

What is a "Material Event":

A "Material Event" is an occurrence specified in any applicable assistance, allocation, or bond loan agreement between the Community Development Financial Institutions Fund (CDFI Fund) and an award recipient/allocate/borrower. Certified organizations and award recipients and Borrowers should consult each applicable agreement to determine which events must be reported. At a minimum, a Material Event includes any change in organizational condition that may lead to or the actual violation of any terms and conditions of an assistance, allocation, or bond loan agreement, regulation, or law. Certified Community Development Financial Institutions (CDFI) and Certified Community Development Entities (CDE) must report any event or condition that may cause the entity to no longer meet one or more certification criteria.

When should a Material Event be filed?

A Material Events report must typically be filed by CDFI Fund award recipients (Recipients, Allocatees, and Borrowers) within 20 days of a condition or event occurrence in the case of the New Markets Tax Credits Program (NMTC) Program and 30 days in the case of the CDFI Program, CDFI Bond Guarantee Program, Bank Enterprise Award (BEA) Program, or Capital Magnet Fund (CMF) Program. The failure to file a timely report is considered noncompliance with the terms and conditions of agreements, and may be deemed a default or noncompliance under the applicable agreement.

Instructions:

This form is to be used by CDFI Fund award recipients to report a Material Event. A separate Material Events form must be filed for each award as follows:

- 1. Indicate the name of the organization EIN, Certification Control Number, Award Control Number. Provide a contact person and associated contact information.
- 2. Select the applicable Material Event(s). Note that this form is used for all CDFI Fund programs. Not all Material Events will be applicable. Recipients, Borrowers, and Allocatees should consult their assistance/allocation/bond loan agreement for more information on the specific material events which apply. These agreements requirements provide controlling authority, in the event of any conflict regarding reporting requirements. To assist the user in identifying applicable material events, each material event includes a notation:

BEA = Bank Enterprise Award Program; BGP = Bond Guarantee Program; CDFI = CDFI Program; CMF = Capital Magnet Fund Program; NMTC = New Markets Tax Credit Program;

- 3. Provide a narrative explanation of the Material Event(s).
- 4. Provide a narrative statement indicating how the organization intends to correct or address the Material Event.
- 5. Complete the Authorized Representative Signature information.
- 6. The completed form should be addressed to the attention of the Certification, Compliance Monitoring and Evaluation Manager and submitted via a Service Request through the Organization's Awards Management Information System account (AMIS). Please note that this form cannot be used to request an amendment to any assistance agreement.
