CUSTOMS & BORDER PROTECTION  
U.S. DEPARTMENT OF HOMELAND SECURITY

[News](#) [Legal Notices \[!\]](#) [Help \[?\]](#)

You are about to access a Department of Homeland Security computer system. This computer system and data therein are property of the U.S. Government and provided for official U.S. Government information and use. There is no expectation of privacy when you use this computer system. The use of a password or any other security measure does not establish an expectation of privacy. By using this system, you consent to the terms set forth in this notice. You may not process classified national security information on this computer system. Access to this system is restricted to authorized users only. Unauthorized access, use, or modification of this system or of data contained herein, or in transit to/from this system, may constitute a violation of section 1030 of title 18 of the U.S. Code and other criminal laws. Anyone who accesses a Federal computer system without authorization or exceeds access authority, or obtains, alters, damages, destroys, or discloses information, or prevents authorized use of information on the computer system, may be subject to penalties, fines or imprisonment. This computer system and any related equipment is subject to monitoring for administrative oversight, law enforcement, criminal investigative purposes, inquiries into alleged wrongdoing or misuse, and to ensure proper performance of applicable security features and procedures. DHS may conduct monitoring activities without further notice.

The Electronic Advance Passenger Information System, or eAPIS, allows you to enter or upload passenger and crew manifests online. Reports are also available through eAPIS for Customs and Border Protection approved individuals.

## Crew Information

[< BACK](#)

**Add a Crew Member:** Click on the Select Crew Member dropdown list to see if the crew member is on file for your Sender ID. If the crew member to be added is not found in this list, you must cancel this transaction and go to the crew maintenance option.

If the crew member to be added to this manifest is displayed on the list, you can select the record and click Show Details to populate the fields with the information on file. Informational updates cannot occur at this time. Additions and updates can only occur from the Crew Maintenance option. Once the correct crew record has been displayed, select the Save To Manifest button. Select Crew Member, Show Details, and Save To Manifest should be followed for each crew member needed for an individual flight crew manifest.

**New Crew Members:** New crew members can only be added through the crew maintenance option. If you do not have the needed crew member in the Select Crew Member dropdown box, you will have to cancel this transaction and select the crew maintenance option.

Items marked \* are required. Select this icon  for a list of options.

## 16. Warning for an Already Existing Active Session

### Electronic Advance Passenger Information System

CUSTOMS & BORDER PROTECTION  
U.S. DEPARTMENT OF HOMELAND SECURITY

#### WARNING - Active Session

An active session already exists for this Sender Id. Each eAPIS user must have a unique login id within the system. Sender Id's and passwords should not be shared amongst individual system users.

Each user submitting flights for a carrier should have a unique Sender Id.

If you have reached this screen, you will not be able to access your account for approximately 15 minutes. The eAPIS process will automatically log the account you are wishing to access off of the system in this time frame.

Please close your browser and try again with a unique eAPIS system user id or wait the 15 minute time out period.

[News](#) [Legal Notices \[!\]](#) [Help \[?\]](#)

#### Enrollment Confirmation

You have successfully enrolled with eAPIS. You will receive an e-mail that contains your sender ID and activation key, which will allow you to activate your account. It is important that you remember your password; this information cannot be retrieved.

Please follow the steps below to begin using eAPIS:

**Step 1:**  
**Receive E-mail**

You will receive an e-mail with your sender ID and activation key. Your confirmation e-mail will not arrive immediately.

**Step 2:**  
**Log In to eAPIS**

Return to the eAPIS Web site. Enter your sender ID and password, then select **Log In**.

**Step 3:**  
**Activate Account**

Activate your account by entering the activation key you receive in the e-mail.

**Thank you for enrolling.** Please return to the [eAPIS Welcome page](#) once you receive your e-mail confirmation. You should receive your confirmation e-mail within 5-7 days.

#### Legal Notices

[< BACK](#)

Thank you for visiting the eAPIS Internet web site and reviewing our privacy policy. This is an official web site of the Bureau of Customs and Border Protection (CBP) and is provided as a public service. We do not collect personally-identifiable information of visitors or registered Users on this site unless we specifically advise you that we are doing so. However, all information as it relates to submission of a manifest, including Sender ID, time submitted, etc., is stored in our system. Such information may be traced to the original registrant. *All manifest information submitted through eAPIS is protected under current statutes and regulations governing the Advance Passenger Information System.*

#### Policy for All Visitors

**Information Collected and Stored Automatically:** When you visit our web site to read pages or download information we may automatically collect and store the following non-identifying information:

- The Internet protocol (IP) address from which you access our web site. An IP address is a unique number that is automatically assigned to the computer you are using whenever you are surfing the web.
- The type of browser, such as Netscape or Internet Explorer, and operating system, such as Windows 98 or Linux, used to access our site.
- The date and time our site is accessed, for the purpose of monitoring demand.
- The pages visited, for the purpose of improving the usefulness of our web site by providing helpful links and removing pages that are not read.
- The last site you visited, if that site contained a link to a CBP web page, which indicates how you found this site.

We maintain the above information in system logs. We use this information to make our site more useful to visitors by learning the number of visitors to our site, the number of pages served, and the level of demand for specific pages.

We generally do not use cookies, which are files or file entries placed on your computer's hard drive by a web site that allows monitoring of your use of the site. However, we do use Transient Cookies. Transient cookies are only held in memory and go away when you exit the browser.

---

## Policy for Registration and Users of eAPIS

eAPIS permits submission of manifest information over the Internet. The following additional policies apply to personally-identifiable information collected during a registered user's session.

Once an approved username and password is accepted for use in a particular session of eAPIS, all actions may be recorded and transmitted to CBP. In addition to the information listed above (Policy for All Visitors), CBP may collect and use other information, to include, but not be limited to, the following:

- Acceptance or Declination of Terms and Conditions of site.
- All entries submitted.
- All Reports accessed.
- All Reports for which access was denied.
- All transmissions of data of any kind.
- Acknowledgements of Warning Screens or other pop-ups.

**Information Collected from e-mail:** When you send us personally-identifying information in an e-mail, we use this information only to help us respond to the request. In doing so, information you submit may be viewed by various people within CBP. Public notices issued by CBP in which interested persons are invited to comment by e-mail will contain a notice of what we intend to do with the data gathered. Once received, the information in your e-mail is protected in accordance with law (e.g., the Privacy Act and the Freedom of Information Act).

**Security, Intrusion, and Detection:** For site security purposes and to ensure that this service remains available to all users, this government computer system employs software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage. Use of this system constitutes consent to such monitoring and auditing. An e-mail is not necessarily secure against interception. Whether or not an e-mail is encrypted in transmission depends on your software.

**Links to Other Web Sites:** Our web site contains links to other federal agencies, international agencies, and private organizations. Once you link to another site you, are subject to the policies of the new site.

**Policy for Registration and Users of eAPIS:** eAPIS permits submission of manifest information over the Internet. The following additional policies apply to personally-identifiable information required to be provided in response to a CBP survey. For each survey, we provide an explanation to respondents about the confidentiality of the data and the laws that protect that data. To protect your privacy, in the remote chance that your survey responses are intercepted, all web data submissions are encrypted.

#### News

#### Welcome to eAPIS.

**Consolidated User Guide:** The Consolidated User Guide is available online for valid eAPIS users. You must be logged into eAPIS to download this information. Please [click this link](#) to download the Consolidated User Guide.

#### Known Issues:

1. Master Crew List submissions will not receive a confirmation email. No planned fix at this time.
2. If you receive the error, "The page cannot be displayed", you can workaround this issue by:
  - o Under Internet Explorer, Select Tools | Internet Options, then under the tab "Advanced" uncheck the option "Show friendly HTTP error messages".
  - OR-
  - o Install and use the Firefox browser. See [www.firefox.com](http://www.firefox.com) for details.

**To All eAPIS registrants:**

To assist U.S. Customs and Border Protection's (CBP) Advance Passenger Information System (APIS) process flight manifests properly, please make the following changes to your input process:

1. **Remember always LOG OUT. DO NOT close the browser until after you log out.** Any lock outs by the system are for 10 minutes, you should be able to re-enter after this time.
2. If your company does not have an assigned IATA or ICAO carrier code, please use the three characters following the asterisk (\*) in your User ID, as your CBP assigned carrier code. For example if your Sender ID (Login Id) is APIS\*12B, you would use 12B as your carrier code when completing a manifest.
3. If your company uses the same flight number for your inbound and outbound flight manifests, you must use a distinct character, in the flight number, to distinguish an inbound from an outbound manifest. It is suggested that a unique number be used for each flight, however, if you are not able to do this, it is suggested you predicate your flight number with a unique character, such as an alpha character. For example, carrier code 12B, flight number A12 for outbound and B12 for inbound.
4. It is not necessary to indicate your carrier code in the flight number field. The CBP system is able to distinguish the carrier code in the field provided. Using too many characters in this field will limit your ability to expand flight numbers in the future.
5. The APIS process is reset each night at mid-night; therefore, you are able to use the same flight numbers, each separate day. If you have flights that operate near the mid-night hour, it is suggested you avoid duplicating flight numbers in this hour timeframe.
6. When using eAPIS to submit a Master Crew List, you must continue to indicate the sequence of transmissions for each day. In addition, you must indicate the transmission is an MCL. Below is an example of what should be input in the MCL number field:

MCL no. field:     01MCL

Suffix code:       G - Add  
                      H - Delete  
                      I - Change

7. eAPIS includes the ability to Share Crew List information with other eAPIS users. Select [here](#) for additional information on Crew List Sharing.
8. Currently travelers holding a passport application letter should have this information input indicating the document type as a 'Facilitation document', with the application letter number as the document number. The country of issuance is USA. The expiration date is September 30, 2007.
9. Anytime you have questions regarding your eAPIS account, please contact one of the APIS Account Managers listed above.

[Is the eAPIS application 508 compliant?](#)

#### What is eAPIS?

The Electronic Advance Passenger Information System (eAPIS) is a Customs and Border Protection (CBP) Web-based computer application that provides for the collection of electronic traveler manifest information from commercial carriers for international flights arriving in to or departing from the United States. eAPIS collects and passes electronic manifests to Customs and Border Protection through the Advance Passenger Information System (APIS).

[back to top](#)

---

## How do I enroll with eAPIS?

To participate in eAPIS, you must first enroll by following these simple steps:

1. Access the eAPIS Welcome page at <url> and select **Enroll**.
2. Agree to the Terms and Conditions for eAPIS and select **Next**.
3. Select the type of account you seek, either Commercial or Private, and select **Next**.
4. Complete the required contact and user information.
5. Create a password that starts with a number and is between six and eight characters in length.
6. Re-enter your password and select **Next**.
7. Review your entries and select **Complete Enrollment** to submit your enrollment request.

After successfully completing the eAPIS enrollment application, you will:

1. Receive an email with your sender ID and activation key. **Your confirmation e-mail will not arrive immediately.**
2. Return to the eAPIS Web site. Enter your sender ID and password, then select **Log In**.
3. Activate your account by entering the activation key you receive in the e-mail.

**Note:** Your confirmation e-mail may not arrive immediately. If your confirmation e-mail does not arrive within 48 hours, [e-mail the system administrator](#). Be sure that you have provided the correct contact information when you enrolled with eAPIS. The confirmation e-mail message is sent to the e-mail address you provided for the primary point of contact.

[back to top](#)

## How do I log in to eAPIS?

Enter your sender ID and password in the designated boxes on the eAPIS Welcome page. If this is your first time logging in with this sender ID, you will be prompted to enter an activation key. The activation key is included along with your sender ID in the enrollment confirmation e-mail message. **The activation key is valid for a period of seven days from the date of your e-mail confirmation message. If you do not activate your account within this timeframe, your activation key will expire and you will have to re-apply with eAPIS.**

[back to top](#)

---

### What if I have lost my password?

If you have lost your password complete the following steps to create a new password:

1. Go to the Change Password page by selecting the link "[Change your password](#)" on the Welcome page.
2. Enter your sender ID and a new password. Your password must begin with a number and be six to eight characters in length.
3. In the next box, re-enter your new password exactly as you entered it in the previous box, and select **Save**.

It is important for you to remember your password as it cannot be retrieved from the system.

**Note:** Changing your password will de-activate your eAPIS account. You will not be able to access eAPIS until you receive your new activation key and reactivate your account.

#### Using your new password:

Within 48 hours of creating a new password, you should receive an e-mail message containing your sender ID and a new activation key. To reactivate your account, log in with your sender ID and new password, and enter your new activation key when prompted.

**Note:** The activation key is valid for a period of seven days from the date of your e-mail confirmation message. If you do not reactivate your account within this timeframe, your activation key will expire and you will have to go through the process of re-enrolling with eAPIS.

[back to top](#)

### What if I have lost my sender ID?

If you have lost your sender ID, [e-mail the system administrator](#) for further instructions.

[back to top](#)

### What if I have lost my activation key?

If you have lost your activation key, or if it has expired prior to activating your account, you may re-enroll with eAPIS, or [e-mail the system administrator](#) for assistance.

[back to top](#)

### How do I upload a manifest I created offline?

eAPIS can be used to upload a manifest to CBP if the file meets the following criteria:

1. A text file (.txt) no greater than two megabytes
2. Data in US/EDIFACT or UN/EDIFACT or XML (eXtensible Markup Language) format

To upload a file:

1. From the Manifest Options page select **Upload Manifest**.
2. Locate the file by selecting **Browse**.
3. When prompted, select a file and select **Next**.
4. Preview the content of the file and verify that it is the correct file, then select **Submit**.

[back to top](#)
