The Native American Library Services Basic Grant is noncompetitive and distributed in equal amounts among eligible applicants. Basic Grants are available to support existing library operations and to maintain core library services. The Education/Assessment Option is supplemental to the Basic Grants. It is also noncompetitive and must be requested. The purpose of the Education/Assessment Option is to provide funding for library staff to attend continuing education courses and training workshops on- or off-site, for library staff to attend or give presentations at conferences related to library services, and/or to hire a consultant for an on-site professional library assessment.

For FY2016, Basic grants are only available for a one year period. Three year continuation grants are no longer offered. If you received a continuation grant in FY14, those grants will continue to their expiration, subject to the availability of funds and the terms and conditions of those grants.

- (8) Carrying out other activities consistent with the purposes of the Library Services and Technology subchapter of the IMLS statute (20 U.S.C. §9121).

What are the IMLS Agency-level goals?

The mission of the Institute of Museum and Library Services (IMLS) is to inspire libraries and museums to advance innovation, lifelong learning, and cultural and civic engagement. We provide leadership through research, policy development, and grant making.

U.S. museums and libraries are at the forefront in the movement to create a nation of learners. As stewards of cultural and natural heritage with rich, authentic content, libraries and museums provide learning experiences for everyone. In FY2016, each award under this program will support one of the following three goals of the [IMLS strategic plan](#) for 2012-2016, *Creating a Nation of Learners*:

1. IMLS places the learner at the center and supports engaging experiences in libraries and museums that prepare people to be full participants in their local communities and our global society.
2. IMLS promotes museums and libraries as strong community anchors that enhance civic engagement, cultural opportunities, and economic vitality.
3. IMLS supports exemplary stewardship of museum and library collections and promotes the use of technology to facilitate discovery of knowledge and cultural heritage.

The goals focus on achieving positive public outcomes for communities and individuals; supporting the unique role of museums and libraries in preserving and providing access to collections and content; and promoting library, museum, and information service policies that ensure access to information for all Americans.

What are the funding categories and project categories for this program?

The estimated Basic Grant award for FY 2016 is \$6,000. The estimated Basic Grant with Education/Assessment Option award amount is \$7,000, which includes the \$6,000 Basic Grant and the supplemental amount of \$1,000 for eligible education and assessment activities.

How much money can my institution apply for?

- Basic Grant Award - \$6,000
- Basic Grant with Education/Assessment Option - \$7,000

The supplemental Education/Assessment Option is also non-competitive and must be requested. The purposes of the Education/Assessment Option are to provide funding for library staff to attend library-related continuing education courses and training workshops on- or offsite; for library staff to attend or give presentations at conferences related to library services; and to hire a consultant for an onsite professional library assessment.

How can I become a reviewer?

If you are interested in serving as a reviewer, you may submit your information through our online reviewer application at www.ims.gov/reviewers/become.aspx. Please remember to attach your resume. Your information will be considered and, if accepted, your name will be entered into our reviewer database. You will be contacted prior to the next deadline regarding your availability to serve as a reviewer.

There are many benefits to reviewing applications, including enhancing your professional knowledge and serving the museum and library communities. If you are selected to serve, you will be helping IMLS and strengthening our grant review process.
