

APPENDIX J.1: CRAIG'S LIST AD – ENGLISH

OMB Number: XXXX-XXXX
Expiration Date: XX/XX/XXXX

Are you a household head receiving SNAP/formerly known as Food Stamps? We need you for a 90 minute interview (receive \$75)

On behalf of United States Department of Agriculture (USDA), Food and Nutrition Services (FNS), Westat is looking for adults 18 years and older to participate in an in-depth interview on food shopping, meal preparation and eating habits during the week of [DATES]. Participants will receive \$75 cash right after the interview. Participants must live in [LOCALE].

We want to talk to SNAP participants who are the head of the household. The interview will be in-person and will take 90 minutes. Two trained interviewers will come to your home to conduct the interview. With your permission, we would also like to take a tour of your kitchen and see where you eat.

All information you give us will be treated as private and will not affect any benefits you are receiving. No information about you will be shared with others outside the study team, except as otherwise required by law and you will not be put on a marketing/ mailing list.

If you are interested in participating, please call or email [NAME] at XXX-XXX-XXXX or [EMAIL], say you are contacting us about the Food and Your Household Study. Please provide your name, phone number, and a good time to reach you.

Someone from Westat will contact you and ask some questions to determine if you are eligible to participate in the interview. Please understand that we may not be able to interview everyone who contacts us.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is XXXX-XXXX. The time required to complete this information collection is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data resources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
