The **Business R&D and Innovation Survey** is a national survey that collects critical information about research and development (R&D) and innovation at businesses operating in the United States. This information is valuable to U.S. policy makers and industry and academic data users.

YOUR RESPONSE IS REQUIRED BY LAW. The survey is conducted under the authority of Title 13, United States Code § 8(b), 131, and 182, and Title 42, United States Code § 1861-76 (National Science Foundation Act of 1950, as amended). § 224 and 225 require your response. The U.S. Census Bureau is required by § 9 of the same law to keep your information **CONFIDENTIAL** and can use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

THIS COLLECTION HAS BEEN APPROVED by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0607-0912. Without this approval, we could not conduct this survey.
