The other agency or licensing organization may then make a request supported by the written consent of the individual for the entire record if it so chooses. 5. Disclosure may be made to a member of Congress or to a congressional staff member in response to an inquiry of the Congressional office made at the written request of the constituent about whom the record is maintained.
6. Information may be disclosed to the Office of Management and Budget (OMB) in connection with a review of private relief legislation (as set forth in OMB Circular No. A-19) at any stage of the legislative coordination and clearance process described in the Circular.
7. The information may be disclosed to the agency contractors, grantees, experts, consultants, or volunteers who have been engaged by the agency to assist in the performance of a service related to this system of records and who have need to have access to the records in order to perform the activity. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. § 552a(m).
8. The information may be disclosed to the office of Personnel Management (OPM) for personnel research purposes as a data source for management information, for the production of summary descriptive statistics and analytical studies in support of the function for which the records are collected and maintained, or for related manpower studies.
