

Institutional Review Board Certification
Exemption

Principal Investigator/Project Director: Michael Meit

Department: Public Health

IRB Protocol Number: 16.04.02

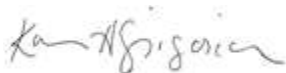

Project Number: 7777

Protocol Title: Women's Preventive Health Services Survey (WPHSS)

This certifies that the research activities regarding human subjects in the protocol described above have been found to be exempt under exemption category 2 by the NORC Institutional Review Board (IRB00000967), under its Federalwide Assurance #FWA00000142, which is valid through July 10, 2018.

Any amendments or other changes to this protocol must be submitted for review by the IRB, and all adverse events must be reported to the IRB.

Please notify the IRB when your study has closed.
