Hi Christopher,

Congratulations on completing CA PTC - STD Expert Hour Webinar Series on 9/13/2016. Please click the link below or copy and paste it into your browser to complete our evaluation. Your feedback will help us improve this course for others. If you open the survey on your mobile device, please flip to a landscape view for better viewing.

Please note: this is a two-part evaluation that is required for you to receive Continuing Education credit. After completing the first survey, you will be directed to a second, brief survey. Please complete both portions of the evaluation, and your Continuing Education certificate will be available to download on our website within approximately 4 weeks.

Please complete these evaluations by Tuesday, September 20th.

Thanks so much for your valuable time and helpful feedback!
