CDC EHDI Hearing Screening and Follow-up Survey (HSFS)

2013 CDC EHDI Hearing Screening and Follow-up Survey (HSFS)*

Note: Please select the Type and Severity system that was used to classify cases of permanent hearing loss for infants born in calendar year 2011 before clicking the "Begin Survey" button. You will not be able to begin the survey until you select either the "ASHA" or "DSHPSHWA" option

Please select type and severity system first!

ASHA system DSHPSHWA system

Directions

Please complete the following survey with only *documented, non-estimated* data for infants born between *January 1, 2012 and December 31, 2012*. Any comments and/or caveats about the reported data can be entered in the Comments section at the end of the survey. If you have any questions about this survey please refer to the explanations document or contact Marcus Gaffney at: MGaffney@cdc.gov/ / (404) 498-3031.

Survey Explanations

Survey Notes

- The survey is divided into three parts, which each have several different sections. These include Part 1 (Hearing Screening, Diagnostic, and Early Intervention), Part 2 (Type and Severity), and Part 3 (Demographics). Part 3 can only be completed <u>after</u> Parts 1 and 2 have been submitted.
- Data <u>cannot</u> be manually entered into fields highlighted in <u>yellow</u>. The totals for these yellow fields
 will be automatically calculated based on the data entered into the non-highlighted fields. These
 calculated values will appear in the yellow boxes after selecting the "Calculate Totals" button near the
 top of each survey page.
- To navigate through the survey use the menu bar located near the top of each survey page and click on the desired section (e.g., Diagnostic).

Burden Notice: The public reporting burden of this collection of information is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to - CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333 ATTN: PRA (0920-0733)
