**Survey Reminder Email**

## Survey Reminder

Dear [insert name],

A few weeks ago you should have received an email asking you to complete a voluntary response survey from the Early Hearing Detection and Intervention (EHDI) at the Centers for Disease Control and Prevention (CDC) about newborn hearing screening and follow-up in *(insert name of state or territory)*. This is a reminder that your response to this survey is requested by *(insert date)* and will be very helpful in determining progress towards the national EHDI Goals. Even if you can only answer a few questions the information will be useful.

This survey can be completed via the Excel template, which is attached to this email. Instructions and additional information are included in the Explanations document which is also attached to this email. The data submitted by all states and U.S. territories will be available online at the CDC-EHDI website at [www.cdc.gov/ncbddd/hearingloss/ehdi-data.html](http://www.cdc.gov/ncbddd/hearingloss/ehdi-data.html).

Thank you for your time and efforts in this important matter. If you have any questions, please contact me at [SAlam1@cdc.gov](mailto:SAlam1@cdc.gov) or (404) 498-3031.

Sincerely,

Suhana Alam, MPH
