

SSA will insert the following revised Privacy Act Statement into the form as soon as possible:

**Privacy Act Statement
Collection and Use of Personal Information**

Sections 1612(a)(2)(A) and 1631(e)(1)(B) of the Social Security Act (Act), as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide us with all or part of the information may prevent us from making an accurate and timely decision on any claim for benefits.

We will use the information you provide to help us determine the individual's eligibility for benefits. We may also share the information for the following purposes, called routine uses:

1. To Federal, State, or local agencies (or agents on their behalf) for administering cash or non-cash income maintenance or health maintenance programs (including programs under the Act).
2. To State agencies to enable those agencies which have elected Federal administration of their supplementation programs to monitor changes in applicant/recipient income, special needs, and circumstances.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notices (SORNs) 60-0089, entitled Claims Folders Systems and 60-0103, entitled Supplemental Security Income Record and Special Veterans Benefits. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia/bluebook.
