Dear «firstname» «lastname»

Thank you for participating in the Building Bridges and Bonds Study (or B3 for short).

About <four weeks> ago you applied to participate in a program called [INTERVENTION NAME] at [SITE PROGRAM NAME]. You also agreed to participate in research to better understand how to help people improve their parenting skills and relationships with their children. The study is funded by the U.S. Department of Health and Human Services. B3 is being led by MDRC, a non-profit research organization. They have partnered with Abt SRBI to survey the study participants.

When you enrolled in the study on «RA date», program staff explained that the research team would follow up with you in the future. In about five months, we will contact you to ask you to take a telephone survey. We will want to learn about your experiences since applying for the program. At that time, we will provide a \$35 gift to thank you for participating in a telephone survey to tell us about your experience.

To make sure we can reach you to conduct the survey, please review the contact information on the attached form. Please **fill in or update any missing or incorrect contact information**. Please also provide contact information for **three people outside your household** who you are regularly in touch with. We will only contact them if we cannot reach you. We are including \$2 as a thank you for responding to this request.

There are also other ways for you to stay in touch with our team. If you prefer to contact us by phone, please call our toll-free number: **1-866-XXX-XXX**. You can contact us online at this website: [B3study.com](http://B3study.com). If you prefer to update your information by telephone or online, please have this PIN number handy: «PIN». This PIN is unique to you and will help our research team find your information in our system.

Any information you provide is voluntary. You may choose whether to provide this information to us. Any information you provide to us will be kept private to the extent permitted by law.

Thank you for your willingness to be a part of this important study. Please contact us if you have any questions.

Thank you again!

Sincerely yours,
