**Agency Information Collection Activities; Oil and Gas Facility Site Security**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of information collection; request for comment.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, the Bureau of Land Management (BLM) is proposing to renew an information collection with revisions.

**DATES:** Interested persons are invited to submit comments on or before November 12, 2019.

**ADDRESSES:** Send your comments on this information collection request (ICR) by mail to Jean Sonneman, U.S. Department of the Interior, Bureau of Land Management, 1849 C Street NW, Room 2134LM, Washington, DC 20240; or by email to [jsonneman@blm.gov](mailto:jsonneman@blm.gov). Please reference OMB Control Number 1004-0207 in the subject line of your comments.

**FOR FURTHER INFORMATION CONTACT:** To request additional information about this ICR, contact Michael Wade by email at [mwade@blm.gov](mailto:mwade@blm.gov), or by telephone at 303-239-3737.

**SUPPLEMENTARY INFORMATION:** In accordance with the Paperwork Reduction Act of 1995, the BLM provides the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps to assess the impact of the BLM's information collection requirements and minimize the public's reporting burden. It also helps the public understand the BLM's information collection requirements and provides the requested data in the desired format.

The BLM is soliciting comments on the proposed ICR that is described below. The BLM is especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the BLM; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the BLM enhance the quality, utility, and clarity of the information to be collected; and (5) how might the BLM minimize the burden of this collection on the respondents,

including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. The BLM will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask in your comment to the BLM to withhold your personal identifying information from public review, the BLM cannot guarantee that it will be able to do so.

The following information pertains to this request:

**Abstract:** This control number pertains to site security for Federal and Indian (except Osage Tribe) oil and gas leases. In this ICR, the BLM requests the removal of several activities involving the use of BLM Form 3160-5 (Sundry Notices and Reports on Wells). At the BLM's request, OMB authorized transfer of those activities from control number 1004-0207 to control number 1004-0137 (Onshore Oil and Gas Operations and Production).

**DEPARTMENT OF JUSTICE**

**Notice of Extension of Public Comment Period for Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act**

On July 23, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Alabama in the lawsuit entitled *United States of America v. MRC Holdings, Inc.* ("MRC"), Civil Action No. 2:19-cv-01153-CLM. At the request of members of the public, DOJ is extending the public comment period for an additional 30 days.

This case relates to alleged releases of hazardous substances, including PCBs, at the Anniston, Alabama PCB Hazardous Waste Site located in and around Anniston, Alabama. The Consent Decree requires MRC to undertake injunctive measures to remediate specific parcels of property identified in the Consent Decree where hazardous substances are located. More specifically, the Consent Decree requires the Defendant to perform a remedial design and remedial action at those properties in accordance with a Record of Decision issued by the Environmental Protection Agency ("EPA") and Statement of Work attached to the Consent Decree as Appendix A. In addition, MRC is required under the Consent Decree to reimburse EPA for both past and future response costs.

Notice of the lodging of the decree was originally published in the **Federal Register** on July 31, 2019. See 84 FR 147, pages 37336-37 (July 31, 2019). The publication of the original notice opened a thirty (30) day period for public comment on the Decree. The publication of the present notice extends the period for public comment on the Decree to September 30, 2019.

All comments must be submitted no later than September 30, 2019. Comments may be submitted either by email or by mail and should refer to *United States of America v. MRC Holdings, Inc.*, and the D.J. Ref. No. 90-11-2-07135/15:
