E. APPROVAL OF A FOREIGN BREEDING FACILITY UNDER WBCA

This application is to be completed by a non-US breeding facility currently breeding CITES-listed bird species that would like to export live birds to the United States. All imports of live CITES-listed birds from non-approved facilities must be accompanied by a U.S. Wild Bird Conservation Act (WBCA) import permit. Breeding facilities that have been approved by the U.S. Fish and Wildlife Service can export birds into the United States with only the required CITES documents.

Complete all questions on the application. Mark questions that are not applicable with "N/A". Given the length of many of your responses, please use separate sheets of paper. On all attachments or separate sheets you are submitting, indicate the number of the application question you are addressing.

Electronic submission of inventories, photographs, and receipts: Some applications contain extensive inventories and /or a large number of photographs or receipts. You may provide electronic versions of the documents. Such a submission will assist in expediting the processing of your application since it may reduce data entry by the U.S. Fish and Wildlife Service. If you wish to provide information electronically, please either include a disk containing your information or, once you have received an application number via the e-mailed acknowledgement letter, e-mail your information to Permits@fws.gov. Be sure to include the application number provided in the acknowledgement e-mail that will be sent to you when we receive your application.

_____ I will be submitting documents electronically.

-
1. Name and address where you wish the permit to be mailed, **if different from page 1**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.
 2. Whom should we contact if we have questions about the application (name, phone number, and e-mail)?
 3. Have you or any of the owners of the business (if applying as a business, corporation, or institution), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.
