Justification for a No Material/Non-Substantive Change

As a result of a Bureau organizational change which elevated the Personnel Security Branch to the Personnel Security Division, the following revisions to ATF F 8620.65, Request for ATF Background Investigation Information, are requested:

- Introductory paragraph, line 1 – Replace “Branch (*PSB*)” with “Division (*PSD*)”
- Introductory paragraph, line 2 – Replace “PSB staff” with “PSD staff”
- Introductory paragraph, line 2 – Replace “PSBVerifications@atf.gov” with “PSDVerifications@atf.gov”
- Requestor Certification section, Federal Agency’s Certification – Replace “grant” with “granting” (Note: Although this change is not the result of the organizational change, it is a typographical error that should be corrected.)
- PSB Official Use Only section – Replace the name of this section with “PSD Official Use Only”
- PSD Official Use Only section – Replace “PSB Representative” with “PSD Representative”
- Paperwork Reduction Act Notice, 1st paragraph, line 2 – Replace “(*Personnel Security Branch*)” with “(*Personnel Security Division*)”
