Thank you for answering all of my questions. As I mentioned earlier, we are conducting a research study regarding information to help consumers select products that are safer for families and pets and can help protect the environment. We are conducting an informal, round-table discussion to be held on _____ at _____. The discussion will last about two hours and will be both fun and informative. No one will attempt to sell you anything and no one will call on you as a result of your participation. As a token of our appreciation for your help in our research effort, you will receive a \$100 cash honorarium at the time of the session. This is an important research effort and we hope that you will be part of it. We can only invite about a dozen people to take part. Can we schedule your attendance?
