

New England Coastal Water Quality and Recreation Survey

This survey asks for your opinions on coastal water quality in New England and how you use coastal areas for recreation. Your answers to this survey will help inform decisions to improve and protect coastal water quality.

We want to hear from everyone. Even if you do not participate in coastal water recreation or visit coastal New England, some questions will apply to you.

The survey should take you around 15 minutes to complete. There are no wrong answers, but please read each question carefully. Please return your completed survey in the provided postage-paid envelope. Thank you for your help!

Your response is important!

All responses will be kept confidential. Response to this survey is voluntary. Send comments on any aspect of this survey to Recreation Survey, Atlantic Ecology Division, U.S. Environmental Protection Agency, 27 Tarzwell Drive, Narragansett, Rhode Island, 02882.
