Background Information

MARKETING ORDER 983

Marketing Order 983 (Order), regulating the handling of pistachios grown in California, Arizona and New Mexico became effective on November 3, 2009. The Administrative Committee for Pistachios (Committee) consists of 9 producer members, 2 handler members, 1 public member and their alternates. Of the 9 producer members, 4 are producer members and their respective alternates from District 1, 3 are producer members and their respective alternates from District 2, 1 is a producer member and his/her respective alternate from District 3, and 1 is a producer member and his/her respective alternate from District 4. The Order provides authority for pistachio producers in each of the four districts to submit the names of candidates for nomination for membership on the Committee. If you are interested in nominating yourself or another producer to serve on the Committee for Districts 1, 2, 3, or 4, please read the following information and submit the completed nomination form.

Producer member districts:

District 1: California counties Imperial, Kern, Los Angeles, Orange, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara, Tulare, and Ventura

District 2: California counties Fresno, Kings, Madera, and Merced District 3: California counties not in District 1 or 2

District 4: the states Arizona and New Mexico

20XX ELECTION: seeking nominations for the two year term **July 1, 20XX– June 20, 20XX** in Districts 1, 2, and X.

The Order specifies that a two-year term of office shall be staggered for elected producer members and their alternates. Every year the Committee solicits nominations for membership on the 12-member committee for the seats that expire June 30th. Nominees will be notified and asked to return a Qualification and Acceptance form to verify eligibility and willingness to serve as a producer member or alternate producer member. Each producer member and alternate producer member on the Committee shall be, at the time of selection and during the term of office, a pistachio producer, or an officer or an employee of a producer. Members and alternate members are limited to eight consecutive years of service (may serve again after twelve or more months out of office). Names of eligible nominees will be placed on district ballots and sent to producers to vote for candidates of their choice.

NOMINATION ELIGIBILITY

Complete a nomination form to nominate yourself or another eligible producer to run for a position on the Committee. Nominees must produce pistachios in the district being nominated for. If you produce pistachios in more than one district, you may nominate a candidate from only one district of your choice. Only producers, including duly authorized officers or employees of producers, may participate in the nomination of candidates for producer members and their alternates. If you are both a producer and a handler of pistachios, you may participate in both producer and handler nominations.

AFFILIATION

The Order prescribes that not more than two members and not more than two alternate members shall be persons employed by, or affiliated with producers or handlers that are affiliated with the same handler and/or producer. Affiliation is defined as: normally appears as "affiliate of", or "affiliated with", and means a person such as a producer or handler who is: a producer or handler that directly, or indirectly through one or more intermediaries, owns or controls, or is controlled by, or is under common control with the producer or handler specified; or a producer or handler that directly, or indirectly through one or more intermediaries, is connected in a proprietary capacity, or shares the ownership or control of the specified producer or handler with one or more other producers or handlers. As used in this part, the term "control" (including the terms "controlling", "controlled by", and "under the common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a handler or a producer, whether through voting securities, membership in a cooperative, by contract or otherwise.
