NOMINATION ELIGIBILITY

Complete a nomination form to nominate yourself or another eligible handler to run for office as a handler member or alternate handler member on the Committee. Only handlers, including duly authorized officers or employees of handlers, may participate in the nomination of handler member nominees and their alternates. To qualify as a handler, your handling operation must receive, hull and dry pistachios and/or further prepare pistachios by sorting, sizing, shelling, roasting, cleaning, salting, and/or packaging for marketing in or transporting to any and all markets in the current of interstate or foreign commerce. If you are both a producer and a handler of pistachios, you may participate in both producer and handler nominations.

AFFILIATION

The Order prescribes that not more than two members and not more than two alternate members shall be persons employed by, or affiliated with producers or handlers that are affiliated with the same handler and/or producer. Only one handler member and one alternate member representing handlers shall be employed by, or affiliated with the same handler. No handler, and all of its affiliated handlers, can be represented by more than one handler member. A cooperative that has as its members one or more other cooperatives that are handlers shall not be considered as a handler for the purpose of nominating. Affiliation is defined as: normally appears as "affiliate of", or "affiliated with", and means a person such as a producer or handler who is: a producer or handler that directly, or indirectly through one or more intermediaries, owns or controls, or is controlled by, or is under common control with the producer or handler specified; or a producer or handler that directly, or indirectly through one or more intermediaries, is connected in a proprietary capacity, or shares the ownership or control of the specified producer or handler with one or more other producers or handlers. As used in this part, the term "control" (including the terms "controlling", "controlled by", and "under the common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a handler or a producer, whether through voting securities, membership in a cooperative, by contract or otherwise.
