FY 2016 RWHAP Part B Program Terms Report Components

The FY 2016 RWHAP Part B CLC is the list of contracts and/or Fee for Service Memorandum of Understanding (MOU), Memorandum of Agreement (MAO) or Letter of Agreement (LOA) for all subrecipients receiving FY 2016 RWHAP Part B funding, including Emerging Communities and Minority AIDS Initiative (MAI) funding. The FY 2016 RWHAP Part B CLC must include the amounts for each service provided through contracts and/or Fee for Service MOU, MAO or LOA. The total direct Core Medical and Support service contracts and/or Fee for Service Memorandum of Understanding (MOU), Memorandum of Agreement (MAO) or Letter of Agreement (LOA) amount must reflect the total service dollars amounts as indicated in the Contract Review Certification (CRC).

Component 2: FY 2016 RWHAP Part B and MAI Allocation Report

The FY 2016 RWHAP Part B and MAI Allocation Report partially pre-populates based on the information provided for the CLC. The CLC must be completed and correct before completing the FY 2016 RWHAP Part B and MAI Allocation Report.

All allocations must match the amounts provided in the FY 2016 RWHAP Part B Budget Narrative Spreadsheet and the FY 2016 RWHAP Part B SF424A.

Clinical Quality Management (CQM) allocations may not exceed 5% of the award amount or \$3,000,000, whichever amount is smaller. Allocations for Health Insurance Premium and Cost Sharing Assistance using ADAP Earmark/ADAP Supplemental funds

Administrative Costs cannot exceed 10% of the award amount, which includes the RWHAP Base, ADAP Earmark, ADAP Supplemental, Emerging Communities, and MAI awards. Planning and Evaluation (P & E) Activities cannot exceed 10% of the award amount. Additionally, the combined allocations of P & E and Administration activities cannot exceed 15% of the award.

Consortia funds are considered Support Services Allocations, even if funds are allocated for Core Medical Services.

MAI funds are considered Support Services and must follow the 75/25 rule accordingly. MAI allocations for outreach and education should correlate with the amounts indicated in the MAI award. Allocations for MAI Recipient Administration, P & E, and CQM must be factored into the Administration, P & E, and CQM allocations in Section C to ensure the administrative caps are not exceeded.

Per Title XXVI, Part B, Subpart 1, Section 2612 (b) (1), Core and Support Services Allocations must meet the 75/25 rule, unless the recipient has been approved for a Core Medical Services Waiver per the requirements stated in Federal Register Notice Volume 78, Number 207, Pages 63990-63993, Friday, October 25, 2013.
