Division/Branch

The purpose of this form is to document NCEZID's determination that the above-listed protocol does not require submission to CDC's Human Research Protection Office. Under existing institutional policy, authority to determine whether a project is research involving human subjects or whether CDC is engaged in human subjects research is delegated to the National Centers.

<u>Determination</u>				
☐ Project does not meet the definition of research under	er 45 CFR 46.102(d). IRB review is not required.			
☐ Project does not involve human subjects under 45 C	FR 46.102(f). IRB review is not required.			
CDC is not engaged in the conduct of human subjects research per 2008 OHRP engagement guidance. CDC IRB review is not required. <i>Investigator has provided documentation of appropriate local review.</i>
