

Web-based Survey Invitation Email

Dear **Insert Name**:

On **<date pre-notification email sent>**, you should have received an email about the Centers for Disease Control and Prevention's Division of Cancer Prevention and Control (DCPC) Training and Technical Assistance (TTA) Survey. This email is to request your response to the TTA survey. Please respond to the questions according to your individual experience. We expect this survey to take approximately 15 minutes to complete, depending on the number of providers you received TTA from.

Your responses to this survey will be kept private and stored and maintained by ICF International, without any identifying information. Individually identifiable responses will not be provided to CDC staff, and only aggregated information will be reported. Completion of this survey is voluntary, but we encourage your participation. Completing and submitting this web-based survey will indicate your consent to participate.

You can access the survey by clicking here. *Insert hyperlink with the full web address.*

Please complete the survey by **<insert date>.**

If you have any questions about this survey, please contact Sarah O'Dell at sarah.odell@icfi.com or 404-321-3211.

Thank you very much in advance for supporting this important effort!

Best Regards,
