7a. Does your practice setting provide contraceptive implants to 15-19 year old clients?

Yes
 No

SS#9

Table 7b. Female Clients, Ages 15-19 Years Old, Provided Contraceptive Implant (e.g., Nexplanon) on the Same Day Requested

The following data should be collected by reviewing the charts of the last ten 15-19 year olds provided a contraceptive implant during the fiscal year to determine if those clients received the contraceptive implant on the same day that they requested it.

| | |
|--|----------------------|
| Of the charts reviewed, number of 15-19 year olds provided contraceptive implants (e.g., Nexplanon) on the same day requested | <input type="text"/> |
| Number of charts reviewed (Typically ten, unless fewer than ten 15-19 year old clients received a contraceptive implant in the last year.) | <input type="text"/> |

SS#10

8a. Does your practice setting provide IUDs to 15-19 year old clients?

Yes
 No

SS#11

Table 8b. Female Clients, Ages 15-19 Years Old, Provided IUDs (e.g., Mirena® or Paragard®) on the Same Day Requested

The following data should be collected by reviewing the charts of the last five 15-19 year olds provided an IUD during the fiscal year to determine if those clients received the IUD on the same day that they requested it.

| | |
|---|----------------------|
| Of the charts reviewed, number of 15-19 year olds provided IUD (e.g., Mirena® or Paragard®) on the same day requested | <input type="text"/> |
| Number of clients reviewed (Typically five, unless fewer than five 15-19 year old year old clients received an IUD) | <input type="text"/> |

SS#12

Linkages

Table 9. Formal and Informal Linkages

Please indicate the total number of formal linkages that your health center has developed with organizations, providers, programs, and/or institutions for the purposes of increasing access to and utilization of contraceptive or reproductive health services among adolescents, as well as the numbers of new formal and informal linkages obtained during this reporting period. By "formal linkages" we mean written agreements to work with these providers or organizations to enhance access to contraceptive or reproductive health services that your health center provides; by "informal linkages" we mean no written agreement exists.

| | # of Formal Linkages to date | # of New Formal Linkages obtained this past fiscal year | # of Informal Linkages to date | # of New Informal Linkages obtained this past fiscal year |
|--|------------------------------|---|--------------------------------|---|
| Between health center and health center | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
| Between health center and youth serving organization | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
| Between health center and other organization (please specify below). | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |

Please specify the types of other organizations with which your health center partners formed linkages (e.g., mental health, food bank).
