

Biomonitoring of Great Lakes Populations Program III

Attachment 7c. Study Questionnaire for Licensed Anglers (screenshots)

(NOTE: Pictures and maps are still in development)

The screenshot shows a web browser window with the URL https://redcap.ictr.wisc.edu/surveys/index.php?s=LPDx83D78A&__prevpage=1. The browser tab is titled "Milwaukee Angler Project". The page content includes the Wisconsin Department of Health Services logo and the text "Form approved OMB No. 0923-171Y Exp date: XX/XX/2017". The main heading is "Milwaukee Angler Project". Below this, it states "Form Approved OMB No. 0923-171Y Exp. Date xx/xx/201x". A boxed text block contains the following information: "ATSDR estimates the average public reporting burden for this collection of information as 30 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-171Y)." Below this, the text reads: "Thank you for agreeing to participate in the Milwaukee Angler Project. Please complete this online questionnaire. It should take you around 30 minutes to answer these questions. You can save your responses and come back later to finish by clicking 'Save & Return Later' at the bottom of the page. Clicking this button will create a unique access code for your questionnaire. Please write down the code! You will need it to come back to your survey later."

RESIDENTIAL HISTORY

Now we will ask you some questions about where you have lived.

10 **How long have you lived in the Milwaukee, Wisconsin area? Please answer in number of years.**
Please round to the closest year. For example, if you lived here for 1 year and 2 months, enter '1'. If you lived here for 1 year and 8 months, enter '2'. If you aren't sure please write 'DK'. If you would prefer not to answer, write 'NA'.

11 **How long have you lived at your current address? Please answer in number of years.**
Please round to the closest year. For example, if you lived here for 1 year and 2 months, enter '1'. If you lived here for 1 year and 8 months, enter '2'. If you aren't sure please write 'DK'. If you would prefer not to answer, write 'NA'.

12 **What year was your home built?**
Please enter four digits for the year, such as 1999. If you aren't sure, take your best guess.

FISH AND SHELLFISH EATEN IN THE LAST 30 DAYS

These next few sections will ask you about the fish and shellfish you eat. We will ask you about fish and shellfish that you may have bought at a store or restaurant, as well as fish and shellfish that you or someone you know caught from any lakes, rivers, or streams in Wisconsin. First, we will ask several questions on fish and shellfish eaten in the last 30 days.

15	In the last 30 days, how many times did you eat SHELLFISH, such as shrimp, oysters, lobster, clams, crab, or crayfish?	<input type="text"/>	If you don't know how many times you ate it, please write 'DK'. If you would prefer not to answer, please write 'NA'.
16	In the last 30 days, how many times did you eat FISH such as fresh, canned, or frozen fish, fish fillets, fish sticks, fish sandwiches, and tuna fish?	<input type="text"/>	If you don't know how many times you ate it, please write 'DK'. If you would prefer not to answer, please write 'NA'.
17	In the last 30 days, how many of these fish meals were caught by you or someone you know from any lakes, rivers, and streams in Wisconsin? These are sometimes called 'sport-caught fish'.	<input type="text"/>	If you don't know how many times you ate it, please write 'DK'. If you would prefer not to answer, please write 'NA'.

Milwaukee Angler Project

FISH AND SHELLFISH EATEN IN THE LAST 12 MONTHS

Please refer to this map to answer the questions on this page.

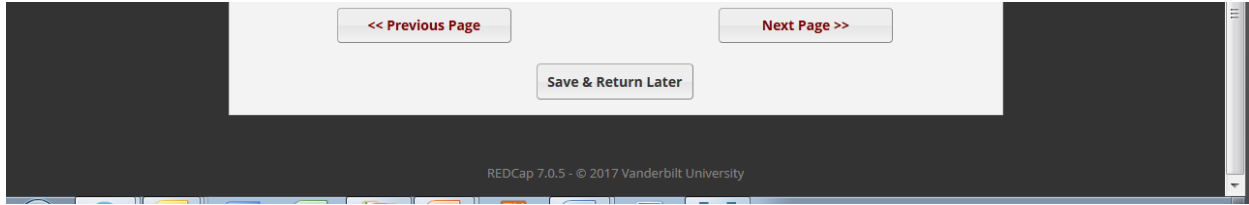

19 Please look at this picture of lakes, rivers, and streams near Milwaukee. **In the last 12 months**, how many times did you eat fish caught by you or someone you know from the lakes, rivers, and streams shown here? Please think about these locations only.

If you don't know how many times you ate it, please write 'DK'. If you would prefer not to answer, please write 'NA'.

20 Please look at the picture of lakes, rivers, and streams near Milwaukee above. For fish caught in any of the lakes, rivers, and streams in the picture, how has the total amount of fish you eat changed during the **past five years**?

- Eat less
- Same or about the same
- Eat more
- Don't know
- Prefer not to answer

FISH AND SHELLFISH EATEN IN THE LAST 12 MONTHS

21 Please refer to this map for the questions on this page.

21 The following questions are about the types of fish you have eaten that were caught by you or someone you know. When answering these questions, please think only about the fish caught in the lakes, rivers, and streams pictured in the map.

In the last 12 months, have you eaten:

	Yes	No	Don't know	Prefer not to answer	
Black crappie	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Bluegill	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Bullhead	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Carp	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Channel catfish	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Chubs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Salmon	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Northern pike	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Redhorse	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Rockbass	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Largemouth bass	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Smallmouth bass	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Smelt	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Walleye	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
White sucker	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset

Biomonitoring of Great Lakes Populations Program III

Yellow perch	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Brown trout	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Lake trout	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Rainbow trout	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Other fish type	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset

What other types of fish have you eaten from the lakes, rivers, and streams pictured in the map above? You may specify up to three types of fish. Please enter one type of fish per text box.

Please tell us what other type of fish you have eaten.
For example, Herring

Please tell us what other type of fish you have eaten. If you have not eaten any other types of fish from the lakes, rivers, and streams pictured in the map above, please leave blank.

Please tell us what other type of fish you have eaten. If you have not eaten any other types of fish from the lakes, rivers, and streams pictured in the map above, please leave blank.

PURCHASED FISH EATEN IN THE LAST 12 MONTHS

Now we will ask you to think about fish and shellfish you have bought in store, restaurant or market. We will be asking you to estimate how many fish meals you have eaten in the last 12 months. We understand that you might need a few minutes to think about these questions, so please take your time.

22 These next questions will ask you about fish you have eaten which came from a store, restaurant, fish vendor, market, or supermarket

In the last 12 months, have you eaten:

	Yes	No	Don't know	Prefer not to answer	
King mackerel	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Tilefish	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Shark	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Swordfish	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Salmon (including canned)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Canned light tuna	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Canned white or albacore tuna	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Fresh or frozen tuna	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Tilapia	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Halibut	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Cod	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Shellfish (such as shrimp, mussels, etc.)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset
Other fish not listed here	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	reset

Please tell us what other type of fish you have eaten.
For example, Herring

FISH CLEANING AND COOKING PRACTICES

We will now ask you some questions about how you typically clean and cook the fish you eat.

These next questions will ask you about how you clean and prepare the fish you eat. Here is a picture to show you the different parts of the fish we are asking about.

23 When preparing fish, how often do you eat or prepare meals using:

	Never	Sometimes	Always	Don't know	Prefer not to answer
The skin of the fish	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/> reset
The head of the fish	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/> reset
The guts, organs, or other innards of the fish	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/> reset
The belly fat of the fish	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/> reset

FISH COOKING AND CLEANING PRACTICES

Please look at this picture of a 6 ounce serving of cooked fish.

25 Compared to this model, would you say that a typical meal of fish you eat is usually:

- Less (smaller than the picture)
- Same or about the same
- More (larger than the picture)
- Don't know
- Prefer not to answer

reset

26 During which season(s) do you eat fish? (check all that apply)

- Spring (March, April, May)
- Summer (June, July, August)
- Fall (September, October, November)
- Winter (December, January, February)
- Don't know
- Prefer not to answer

27 During which season(s) do you catch fish? (check all that apply)

- Spring (March, April, May)
- Summer (June, July, August)
- Fall (September, October, November)
- Winter (December, January, February)
- I don't catch fish
- Don't know
- Prefer not to answer

Department of Health Services

Milwaukee Angler Project

ADVISORY AWARENESS

Now we will be asking you a few questions about the safe-eating guidelines for fish caught in Wisconsin. We are not asking you about the regulations on what size of fish and how many fish you can keep from a water body. These questions are about the health-based advisories written to protect you from contaminants like mercury and PCBs.

28 Have you heard about the safe-eating guidelines for fish caught in Wisconsin?

Yes
 No
 Don't know
 Prefer not to answer

reset

29 How much would you say that you know about these guidelines?

Nothing
 A little bit
 Some
 Quite a bit
 A great deal
 Prefer not to answer

reset

30 How closely do you follow the advice provided in these guidelines?

Not at all
 A little bit
 Somewhat
 Very
 Extremely
 Prefer not to answer

The screenshot shows a web browser window with the address bar displaying <https://redcap.ictr.wisc.edu/surveys/index.php?s=LPDx83D78A>. The browser's title bar reads 'Milwaukee Angler Project'. The page content includes the Wisconsin Department of Health Services logo and the title 'Milwaukee Angler Project'. Below this is a section titled 'ADVISORY AWARENESS' containing question 34: 'Have you ever made any of the following changes to avoid contaminants such as mercury and PCBs? (check all that apply)'. The question is followed by five checkboxes with corresponding text: 'Eaten fewer fish meals', 'Eaten different types or species of fish', 'Avoided eating certain parts of fish (head, fat, belly, skin)', 'Avoided eating fish from some fishing locations', 'None of these', and 'Prefer not to answer'. At the bottom of the question area are three buttons: '<< Previous Page', 'Next Page >>', and 'Save & Return Later'. The footer of the page reads 'REDCap 7.0.5 - © 2017 Vanderbilt University'. The browser's status bar at the bottom shows the same URL and a zoom level of 100%.

WILD BIRDS AND ANIMALS

Now we will ask you about any wild birds or animals you may have eaten in the last 12 months.

Please look at the picture of lakes, rivers, and streams near Milwaukee. These next questions will ask you about the types of wild animals and waterfowl you have eaten, which were harvested near areas in the picture here.

The map displays the Milwaukee area with several water bodies highlighted in different colors: Cedar Creek (red), Milwaukee River (green), Little Menomonee River (red), Lincoln Creek (purple), Menomonee River (blue), and Kinnickinnic River (orange). Major roads and cities are also labeled, including Jackson, Cedarburg, Mequon, Germantown, Milwaukee, Brookfield, and Shorewood. A scale bar indicates 0 to 2 miles, and a north arrow is present.

Biomonitoring of Great Lakes Populations Program III

36 Thinking about the last 12 months, have you eaten:

Biomonitoring of Great Lakes Populations Program III

(Note: Second and third cancer types only appear if text is entered into the preceding boxes. For example, participant will only be asked to specify a third type if text is entered for the 'second type')

The screenshot shows a web browser window with the Milwaukee Angler Project logo and the Wisconsin Department of Health Services header. The form is titled "HEALTH HISTORY" and contains a section for "57 Have you ever been told by a doctor that you had/have any of the following health conditions:". This section includes a table with four columns: "Yes", "No", "Don't know", and "Prefer not to answer". The conditions listed are Diabetes, Pre-diabetes (impaired fasting glucose, impaired glucose tolerance, borderline diabetes or higher blood sugar than normal but not high enough to be called diabetes or sugar diabetes), Chronic kidney disease (CKD; chronic renal insufficiency), and Porphyria (decreased red blood cell production due to abnormal porphyrin metabolism). Below the table, there are text input fields for "What type of cancer were you diagnosed with?" (with "Lung" entered), "If you have ever been diagnosed with a second type of cancer, please write it here. Otherwise, leave this box blank." (with "Colon" entered), and "If you have ever been diagnosed with a third type of cancer, please write it here. Otherwise, leave this box blank." (with "Breast" entered). The form also includes several questions about the year of diagnosis for each condition, with input fields and instructions to "Enter year of diagnosis. For example, 2001." At the bottom, there are buttons for "<< Previous Page", "Next Page >>", and "Save & Return Later".

	Yes	No	Don't know	Prefer not to answer
Diabetes	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
