Enrollment Verification Calls for Private Fee for Service Plans	Reporting Requirement has been suspended.	Rev	The updated guidance in Section 70.7 of the Medicare Marketing Guidelines (MMG) gives Medicare Advantage and Private Fee For Service plans other options to complete the enrollment verification process, apart from a phone call. Plans are permitted to use email, telephone or direct mail. This new guidance was released in June 2014 in the 2015 MMG. As a result, we believe that this reporting requirement is no longer a necessary element in monitoring the Part C program. The number of plans that reported this as a means of enrollment verification in 2015 was zero.	No
