

**Addendum to Supporting Statement for
Authorization for the Social Security Administration to Obtain Wage and Employment
Information from Payroll Data Providers
Form SSA-8240
OMB No. 0960-NEW**

Additional Information Regarding the Collection Instrument

- We will use Form SSA-8240 to collect authorization to obtain wage and employment information from payroll data providers via the *Bipartisan Budget Act of 2015, Section 826 (BBA 826)* Internet application once the application becomes available.

Justification: The *BBA 826* Internet application will allow SSDI beneficiaries to report earnings via the Internet, similar to the Internet application currently available to SSI recipients. We will implement the *BBA 826* Internet application in several releases. SSA scheduled the functionality to collect authorization for SSA to obtain wage and employment information from payroll data providers for a future release. We will obtain OMB approval for the *BBA 826* Internet application prior to including the burden for the SSA-8240 respondents. We are currently in the process of creating the *BBA 826* Internet application, and obtaining OMB approval for it.
