Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change #1:** We are revising the PRA statements on the consultative examination (CE) letters, except for the medical evidence from CE providers and the electronic transmission of medical evidence through ERE; medical evidence record (MER) letters; and pain/other symptoms/impairment documents.

Justification #1: We are revising the PRA statements to reflect our current boilerplate language. The current language, which dates back to the last reprint of the form, is now outdated.

- **Change #2:** We are revising the Privacy Act Statements on the CE letters, except for the medical evidence from CE providers and the electronic transmission of medical evidence through ERE; medical evidence record (MER) letters; and pain/other symptoms/impairment documents.

Justification #2: SSA's Office of the General Counsel is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, SSA is updating the Privacy Act Statements on the CE, MER, and pain/other symptoms/impairment documents.
